Its Official....Our Season is Over...

It has been one interesting winter as well as snowmobiling season for us. Not sure what to say except it was a hit or miss regarding snow. Many of you went up north (sometimes further) and found snow and still were able to put on many miles this season. I know we had a few snow storms that looked promising, yet didn't produce enough white stuff for our sport. Plus the mild temperatures keep the frost to a minimum depth and therefore, the snow wouldn't stay too long. Which reminds me of this past December when we were wrapping up trail installation and had to pound in stakes through two to three inches of frost. Surprising we had that much frost in December, yet when March hit, we had all of our trails pulled by the middle of the month. I can't remember when we were able to have everything out by mid-March. Enough of the past season; time to focus on the County Fair as well as next season (there will be snow).

Our final Club meeting for the season is approaching next week Thursday, April 12 and we plan on having pizza from Circle B. Stop in and help us close out our last meeting on a high note with good attendance from our members before we meet again at the Ozaukee County Fair. Along that line, our Nesco Queen has started setting up the fair work schedule. If you are ready, stop in and see Chris and get your spot reserved on the work schedule. We need all the help we can get to have another successful fund raiser. And yes, there are many unanswered questions regarding the layout of the fair. As we get confirmation of this, we'll pass it on to you.

One last thing I wanted to mention, when I talk to non-snowmobilers throughout my daily walk of life, many are surprised that our trails were never opened up here in Ozaukee or Washington County. Most usually state "there was plenty of snow, wasn't there?". Yet we as snowmobilers and Club members know what conditions we need to meet before we open our trails. If non-snowmobilers ask this, what do you think non-Club member snowmobilers are thinking? That is why we always stress if you snowmobile, join a club to be better informed. So if you know other snowmobilers, bring up joining a club (doesn't have to be ours; all clubs are here for the same purpose). The more informed snowmobilers there are, the better our sport becomes.

Anyway, I have used up my allotted space once again and need to wrap it up. So, till next month, keep your track on the snow (there is snow somewhere) and remember, "United We Trail, Divided We Fail".....

Guest Speaker Thank You

We would like to thank DNR Warden Christopher Shea for stopping in and being our guest speaker at March's Club meeting. He was very informative, open to suggestions as well as asking us as snowmobilers for assistance with snowmobiling. During questions, Warden Shea was asked if he has shot anyone with his Glock. His answer was no, yet he has pointed it at a few suspects. He is originally from western Wisconsin, went out west as a warden and just transfer back here to be our DNR warden. If you need to contact him regarding anything DNR related, his office number is 262-268-1977.

Trail Work Thank You

As you read earlier, with our mild winter and early spring, we were able to pull all of our trails by March 15 (yet we did hold off pulling the snow fence until Saturday, March 24). I was informed that going out early in the morning worked the best due to the ground was still firm where you didn't pick up any mud and you left little to no tracks. One group headed out on the last day we had snow (a Wednesday morning) when there was still snow, pulled trails until mid-day, and then saw all the remaining snow melt away in a hurry. Talk about timing; pulling out trails this spring went really well and quick. Thanks to all volunteers this spring for their help: Bob Thomas, Bobby Thomas, Mike Wagner, Mel Trapp, John Haen, Tim Einwalter, Bill Ladwig and Cal Cummings.

Additional Thank You

Now that our snowmobiling season has drawn to a close, we'd like to thank our volunteers behind the scenes for all their help: Mike Mueller for printing the newsletters, Mary Demler for folding, stuffing and mailing the newsletters, Chris Habich and Patty Kison for handling the food arrangements at each meeting, Deanna Einwalter for handling the AWSC memberships, Dan Burbach for attending the Washington County meetings, Dave Pom for taking care of our website and emailing newsletters, Jeff Kaul, Randy Kison and Bob Thomas for attending the Ozaukee County meetings, and our Board of Directors for what they do above and beyond their job duties.

Also, thank you to all our Club members attending each monthly Club meeting; having you there helps make our meetings fun and enjoyable. Please stop out one more time this season on April 12. See you there.

Nominations & Elections

We have three Board members up for re-election, Chris "Nesco Queen" Habich, Tim Einwalter and Dan Burbach. In March, we opened up the nominations and all three were nominated for re-election and then no other nominations were made. This month, we'll re-open up the nominations for any last minute additions and then we will vote for three. Stop in and help us out by voting. See you there.

County Fair

Just so we keep our one and only fund raiser on everyones mind, here are the dates for this summer's Ozaukee County Fair. Please keep these dates in mind when planning your summer vacations; we always need help to pull off this event.

Set-up	Monday, July 30
Fair starts	Wednesday, August 1
Tear down of bar and packing up cook shack	Sunday, August 5
Tear down of cook shack	Monday, August 6

FOR SALE
