WINTER APPROACHES

I cannot believe that we are in the final stretch of 2012. As I'm writing this (actually typing it on the keyboard), I can't help to think that the first week in December is almost over, which gives us only three weeks before New Year's. Not sure where time has gone, only that I know our season is at the point that it should snow any day now. Due to a good number of volunteers this fall, we have gotten our trails all set up and ready for when the snow finally arrives (with the exception of Saturday, December 8 to wrap up trails). We even found time to cultumulch our trails due to the unusually warm and dry weather at Thanksgiving. This has been one interesting fall. Now winter is here (at least it is getting colder) and snow will be just around the corner.

So until next time, keep your track on the snow and remember, snow will be here before we know it. The UP has gotten some as well as NW Wisconsin. And in case I don't see you at December's Club Meeting, have a Merry Christmas and a Happy New Year!!

GRAFTON CHRISTMAS PARADE

We had a good time and a little more participation this year in the Grafton Christmas Parade. First off, we need to thank Bob Brunner for driving the sharp Dodge Ram pickup truck (courtesy of 5 Corners Dodge Chrysler Jeep) that was pulling a trailer loaded with two brand new SKI-DOO snowmobiles (courtesy of Cedar Creek Motorsports). Second, we'd like to thank Jeff Jaquish and his fiancé Jennie, along with her son Aiden as they rode on the asphalt drag snowmobiles courtesy of Kevin Robertson. Third, thanks goes out to Melissa Geszvain for taking pictures of the parade. And fourth, thanks goes out to Matt, Brandon and Jessica for driving the golf cart as part of our entry as well as thanks to Matt for coordinating this event. Here are two shots from the parade:

The weather was just right and all fell into place. Thanks again to all for helping to make our entry in the parade another success!! I posted these plus two others on our Club's facebook page; check them out when you have time.....

CLUB CLOTHING

We have plenty of options for Club clothing thru Star Promotions and we do have some inventory of Beanies, Baseball Caps and some other samples if you are interested in purchasing some clothing. If you need to place an order, we do have a catalog of what type of clothing is available, so see Patty Kison at the Club meeting and let her know what you need. If you cannot make the meeting and need some Club clothing, please give Patty a call.

MEMBERSHIP

We currently have a few stragglers at this time. If you still need to renew your membership, please do it this month. In order to keep our records up to date as well as the AWSC, we need your application and dues in this month either by mail or stop in at December's Club meeting. And for those having renewed already, thank you for doing so in a timely manner.

FOOD FOR THIS MONTH

Our Board of Directors are providing finger type food for our enjoyment following our Club meeting. This was started a couple years ago just to change things up and now is continuing as a holiday tradition for us. Stop in and join us in some pre-holiday festivities. See you on Thursday...

IMPORTANT DATES

Trail Work	Saturday, December 1
Trail Work	Saturday, December 8
Club Meeting	Thursday, December 13
Christmas	Tuesday, December 25
New Year's	Tuesday, January 1
Club Meeting	Thursday, January 10

TRAIL WORK

At this point, we are very close to finishing up our trail system. We have the snow fence to put up along Granville Road, finish marking a short section of trail that connects up to the Germantown trail, and check a few spots because the cold, warm, cold temperatures have not been kind to us. The frost has pushed our signs up out of the ground and then the warm and soft ground has allowed our trail signs to fall over. Once it gets cold and stays cold, we should be set.

So if you are reading this newsletter before the weekend, Saturday, December 8 is our last scheduled morning to work on trails. If you can help, stop out at the Kison Farm around 7:30am.

SNO-PHONES

We're getting these out early so you have them once it starts to snow. To open our trails, we need to have at least 6" of snow and the temperature has been below 32 degrees Fahrenheit for a spell to get the ground and water holes to freeze. Remember to call them daily and before you ride our trails:

Ozaukee County	262-284-8259
Washington County	262-334-6061
Sheboygan County	920-457-8810 ext. 2990
Fond du Lac County:	920-929-6840 #5
Dodge County:	920-386-3705
Calumet County:	920-849-1494

SNO-FARIS

So far, we have two trips planned and the first one will take place on February 1st thru 3rd, 2013. Chris Bumpke is heading up this trip and we'll be staying at the AmericInn in Silver City, Michigan. Initially, there were ten (10) rooms blocked off under Monticello (seven (7) with queen beds and three (3) with king beds) and the rate is \$80 per night plus tax (you need to mention Monticello when reserving your room to get this rate; otherwise it is \$103 per night). If you plan to get there a day or two early or even stay a day or two later, let them know and you'll still get that \$80 rate per night. To reserve a room for this Sno-Fari, please call the AmericInn at 800-634-3444 or 906-885-5311 and then give Chris a call so he has an idea of who is going.

The second trip is set up for February 21 thru 24, 2013, and we are staying at the Root Cellar Resort in Marenisco, Michigan. Tim and Deanna Einwalter are heading up this trip. Standard rooms are \$89 per night plus tax; there are also cabins for rent (click on this link to check out this resort: www.rootcellarresort.com/index.html). Unfortunately, they will not hold any rooms for us so it is a first come, first serve basis. To reserve a room for this Sno-Fari, please call the Root Cellar Resort at 906- 842-3535 and then give Tim a call so he has an idea of who is joining them on this Sno-Fari.

FOR SALE

1992 Yamaha Ovation, electric start, new battery fall of 2011, back rest, cover, stored inside, 2849 miles. Black with purple graphics. Call Jim

Wanted: 2002 to 2004 Yamaha Viper 700 triple. Call Tom for more information.
