***CLUB MEETING – THURSDAY JAN.  
10<sup>th</sup>***

***HAPPY NEW YEAR!!! Complete with snow...***

Hope that all had a Merry Christmas as well as a good start to a New Year!!! Last time we talked, it was last year and we had just finished installing our trails. Snow had fallen the first weekend of December and more fell later and we were able to open our trails on December 9. Unfortunately, warm temperatures closed them before Christmas, but then near the end of December we got six to eight more inches and we opened them up once again. Now, at the start of the New Year, our trails are still open and many are enjoying the fun and excitement of snowmobiling.

With all this snow, we have been giving our Tucker and drag a work out grooming our trails. We have probably groomed our entire system two to three times since the trails opened in early December. Plus, our grooming crew has been expanded this season because we didn't groom our trails, or even the Snow Drifters trails, as often as possible. So we have trained a few more of our members so we always have someone available to go out and groom. As long as the trails are open, we will schedule our drivers to go out and groom. Unfortunately, due to the varying snow conditions, our trails don't always look or ride like we just groomed; there is a lot of traffic on our trails and they don't stay groomed for very long. A couple of our groomer drivers have made the comment that when they were on the return trip back to where they started, the trails they just groomed didn't look like it. Please be patient with us as we are trying to do the best we can with the current conditions.

Remember to call the snow phones often. Till next month,

keep your track in the the trails.  
snow and I'll see you on

## THANK YOUs

We'd like to thank Patty and Kathy Kison for setting up the food and Chris Habich, Vicky Brown, Patty Kison, and Kathy Kison for providing the food for our Club's Christmas Party following the Club Meeting last month. We had twenty members in attendance as well as three guests who became members right after the Club Meeting. Job well done and thanks again to our volunteers taking care of our hunger.

## TRAIL MAPS

We have received the Washington County Snowmobile Trail maps in mid December. We have delivered them to the three businesses that purchased an ad on the map – Cedar Creek Motor Sports, D&S Mainstreet, and the JailHouse. Since we also advertised on the map, we will have some to give out at this month's Club Meeting. This map is in a digital format this year and final brings Washington County into the current age.

Ozaukee County Trail Maps were to be out as well during December. I haven't heard one way or the other, but hopefully we will have them for the Club Meeting this month.

## SCHOLARSHIPS

Last month, while fighting the auctioneer on the other side of the partition, we opened up for discussion, the qualifications we need to set up for the scholarships at both Cedarburg and Grafton High Schools. Unfortunately, we fought a losing battle with the auctioneer and tabled the motion until this month's Club Meeting. So far, the requirements that have been suggested are as follows:

- Parents are members of snowmobile club and/or member of AWSC;
- Active Snowmobiler;
- Minimum of 2.0 GPA;
- Technical or Trade School;
- Industrial or technical area of study;
- Attend school within Wisconsin;
- Pay after first semester has been successfully completed;
- \$500 per scholarship

Any further suggestions or comments are welcomed. Please stop in at the Club Meeting to express them or call or email them to us.

## SNO-FARI to St. GERMAIN

February 8, 9, 10 are the dates for this year's Sno-Fari to St. Germain. We are staying at the Hearthside Inn, same place as last year. Out of the eight (8) rooms we have reserved, four (4) are still open at this time. We have until January's Club Meeting to fill them. After that, we need to turn them back to the Hearthside. If you are interested in going, please give me (Dan Burbach) a call or stop in at the Club Meeting and I'll give you a room assignment. We'd like to fill up these last four rooms. Quick note, if you wish to arrive Thursday night or stay until Monday morning, just let the Hearthside know when you call up to reserve your room.

We will have the hospitality party again Saturday night at the Hearthside. The party will be in room number 103 and I'll be coming up with the menu and a list of what is needed. Those going will be asked to bring something to help out with this party. Looking forward to February and St. Germain!!!

## FOR SALE

**2003 Artic Cat F7 EFI**, 2100 miles, excellent condition, asking \$4000.

Call Mark @ 262-268-0426

**2000 Polaris Touring Classic 550**, 2-up seat, 1800 miles, Burgundy/Blue, very clean.
