### It's Summertime....

And our annual fund raiser will be here in approximately three weeks. As many of you know, this is our one and only major fund raiser that provides the funds for our next season. To make our fund raiser a success, we need you, our club members, to volunteer to help make our fund raiser a success.

Our calling committee has called our club members as well as the Snow Drifters and the Snow Seekers in order to fill out our work schedule. Unfortunately, we have many spots where we need extra help and have marked them accordingly. We have put the schedule on the backside of this newsletter; please look it over and if you are available to help where we need help, please give Chris Habich a call at 262-387-1161 or on her cell at 262-352-6992. Also, if you cannot work when you are scheduled to work, please give Chris a call as well.

As in the past, we are still on the north end and have vehicles from 5 Corners Dodge, 5 Corners GMC Pontiac and Cedar Creek MotorSports. And as you have read over the last couple of newsletters, we have music on all five days of the fair this summer. Cinto the DJ will be handling the music on Wednesday, Thursday, and Friday nights plus Sunday afternoon. On Saturday night, we are having a local band Kickback playing from 7:00pm to close. We have received the flyers from Miller promoting our 40<sup>th</sup> year at the fair and they are sharp! Take a look around town, you can't miss them (here is a hint – there are two snowmobiles on the top).

Bartenders – please remember “You Must Card” anyone that doesn't look at least 30 years old. Individuals must be 21 on or before this day, 1986, to buy beer, Mike's Hard Lemonade, Wine Coolers, and Sharps. No I.D., no alcohol; also, we only accept Wisconsin I.Ds.

Thank you to all the volunteers working extra hours for our one and only fund raiser. Without the volunteer efforts throughout the year, our club would not survive as ours has. Thanks for your support!!!

### LANDOWNERS:

Your landowner coupon is included with this newsletter. Please enjoy this at our food and beverage tent at this summer's Ozaukee County Fair (August 1 thru August 5). It's a small token of our appreciation for allowing us to cross your land with our trail. Without landowners like you, our trail system would not exist. Thanks for your support!!!

## **ELECTIONS**

Our Board of Directors held elections for two of our four officers. The two positions up for election or re-election were President (currently Dan Burbach) and Secretary (currently Mike Brown). When nominations opened up for both positions, you could hear the faint howling of the train headed for the station. Both Dan and Mike were nominated and right after nominations were closed, both won their positions by a landslide. Congratulations to Mike and Dan on their new two-year terms. Their terms start September 1 and run thru August 31, 2009.

## **COUNTY FAIR SCHEDULE**

Is attached as page three. Please note the open spots labeled by "HELP". Also, we need help with set-up as well as tear down. Tear down does occur at the end of the fair when we're all tired and look forward to wrapping up the fair for another year. But before we can do this, we need to tear down our bar and cook shack and pack it onto our trailers Sunday night. Having at least 10 volunteers to do this would greatly speed up this process. Please come out and give us a hand with our one and only major fund raiser.

## **GROOMER WORK**

Our Tucker has been put inside at Ma Kison's farm. Randy and Dave are working on getting a schedule plus work list together so we know what needs to be done and we'll get it done. We will be looking to get a crew together to take care of this. If you are willing to help out with this project, please give Randy Kison a call at 262-677-2996.
