OZAUKEE COUNTY FAIR IS NEXT...

By the time you receive this newsletter, the 2014 Ozaukee County Fair will be two weeks away! Not sure when summer will show up and replace the fall weather. Anyway, dates for this summer's Fair are Wednesday, July 30 thru Sunday, August 3rd. Set up will take place on Monday, July 28 and Tuesday, July 29 starting at 6pm (or earlier); teardown will start around 7pm on Sunday, August 3 (depending on the crowd) and Monday, August 4 for the teardown and cleaning of our cookshack. One note, given the weather allows for our tent to go up by Friday, July 25, we plan on getting our trailers and cooler truck down to the fair grounds on Saturday, July 26. Plus, there is some prep work we plan on doing to get ready for Monday night.

As you all know, our food and beverage tent is our one and only fund raiser for the year for our Club. This time, our goal is to pay off our Tucker loan and we will be done one year early!! Also, we will have enough left over to cover expenses relating to snowmobiling and the functions of our Club. Since we are 100% volunteer based, we need all the help we can get; see more on the Fair and our work schedule on the back of this newsletter.

Our tent will be located in the same spot as it was at last summer's Fair, on the north end of the grounds across from the new Curling/Multi-use building. The vehicles from 5 Corners Truck and Auto and 5 Corners Dodge Chrysler Jeep Ram Trucks will be on the south end of our tent. The recreational vehicles from Cedar Creek Motor Sports should be on the east or north side of our tent, depending on tent location.

Once again, we will have live bands playing nightly Wednesday thru Saturday in our tent. Our own Nesco Queen has gotten twelve local establishments to help sponsor our live bands. They are as follows: Circle B Recreation, Grand Ave. Saloon, Juices Ghost Town, Kirchhain Country Club, the Railroad Station, Remington's River Inn, The Roadhouse, Smitty's on the Edge, Stonewall Pub, The Bridge Inn, Maxwells, and The Hub. If you happen to stop at these places, thank them for helping us out this summer.

For those tending bar, the legal drinking age is of Today's Date, 1993. No ID, no alcohol; plus, we are only accepting Wisconsin IDs. Plain and simple and this has kept things working smoothly behind the bar for many years.

All workers, since our schedule is light, we are asking you to arrive at least one (1) hour before you are scheduled to work so you can review any changes as well as refresh yourself with our procedures. Also, if you are able to stay an hour past your time, that would really help us out. If you need to change your time or add another shift or cancel, please call Chris "Nesco Queen" Habich. Food pricing for the most part have been held in check, yet beer pricing has gone down. This year, 12oz. cans as well as cups of beer are \$3.50 each and pitchers are \$11 new and \$10 refills. The other alcohol beverages (wine coolers and hard lemonade) are now \$4.00 each.

Thank you in advance for volunteering your time again this summer. Our tent is 100% volunteer, and this is something that makes us proud. Let's have a good time and raise money to support our Club for the next season. So, 'til next month, keep your track raised above the grass or trailer and remember, "United We Trail, Divided We Fail".....

COUNTY FAIR SCHEDULE

PRE-SETUP:	SATURDAY, JULY 26 (call Matt G.)
SET-UP:	MONDAY, JULY 28 starting at 6pm
SET-UP:	TUESDAY, JULY 29, starting at 6pm
DATES OF FAIR:	WEDNESDAY, JULY 30 thru SUNDAY, AUGUST 3
BAR TEARDOWN:	SUNDAY, AUGUST 3 (starting around 7pm)
COOKSHACK:	MONDAY, AUGUST 4, starting at 5:30pm

Please mark your calendars with these dates as we will need all the help we can get.

Check out the enclosed Fair work schedule.

REMEMBERING DENNY

It is hard to image that another County Fair is upon us; yet one of our Club Members, who has been a regular cook at our tent since we started cooking burgers and brats, will not be there this summer or beyond. As many of you know, Denny Kison died on July 3 due to a heart attack suffered on the morning of July 1. We will remember him this summer with our Fair T-shirts; on the front left chest it states In Memory Denny "Goat" Kison 1950 - 2014. It is just a little something we can do in his memory.

And speaking of memories, there are many of us having stories that involve Denny in some way, shape or form; shaking dice at the Wheel (that was a late night), cooking at fair, trail work, snowmobiling and/or some elsewhere in life. One memory that I will always have, is back in the early '90s, our Club stepped up from having just hot dogs and polish sausage warming up in a Nesco to actually cooking brats and burgers on a grill. Denny was one of the original guys working the grill and I remember him cooking in the rain wearing a yellow rain jacket with snow fence surrounding him and the grill full of burgers. I'm getting hungry thinking of those juicy burgers!!

Another story I recently heard and also relates to us first cooking at the fair was when Rick and Denny had volunteered to cook and were attempting to light the gas grill for the first time, yet with little success. Rick looked at Denny and asked ever use one of these? Denny answered "I've always used charcoal" and Rick stated the same and said how do you light this grill? Well, now don't get a head of me, they proceeded to check the LP to make sure it was turned on, then mysteriously the lid got closed, and then they attempted to light it once more. Well, this time it caught and KAABOOM!! That lid lifted right off the grill and flipped open to their amazement! Without missing a beat, Denny and Rick both stated "Hey, we got it lit!" Always an adventure at our tent at the fair....

Back in winter of 1990-91, I had the opportunity to head up north snowmobiling with four of the Kison boys (Denny, Randy, Jim and Murdock) in an extended Dodge Ram Van pulling a four-place trailer (now I know how I got hooked on Dodge Ram Vans). A few nights before we left, Denny and Murdock stopped by my folks house to pick up my sled and found one of the trailer tires was low. So Denny proceeded to ask for some air so he could "change the summer air with winter air. That way it would hold better in the winter". I had never heard that and was in stitches yet my dad was looking a little concerned that I was going north with these two. I told him not to worry; we have a whole weekend ahead of us. During that weekend up in St. Germain, we were out riding and came across quite a few large groups of snowmobilers with the first and last sled having a marking flag on the rear of the sled. We found out that the "women of snowmobiling" were up in Eagle River the same weekend we were. At one point, we were stopped at

a junction and counted thirty to forty sleds going past headed in the direction we were going to go. It was decided to go the other direction and stop for one; Denny agreed stating he wasn't going to follow them, it will take forever to get to where they are going.

I have more to this trip and others have many more stories that will be told throughout the fair and the upcoming season and beyond. So let's keep the stories rolling and raise your glass for "Ein Mehr" for Denny.

LANDOWNERS

You are another great asset to our Club; without the use of your land, we would not have the awesome trail system that weaves its way through Ozaukee and Washington Counties. Because of this, we have once again included a "Landowners Coupon" to use at our tent at the Ozaukee County Fair this summer. It is good for up to \$20 of food and drink of your choice. Stop in and say "HI" while enjoying some cold drinks and awesome food. Thanks again for your support.

FAIR WORK SCHEDULE

Is included with this newsletter. We do have many open or "Help Needed" spots that need to be filled. If you did not receive a call from Chris "Nesco Queen" Habich or need to call her back, please call her on her cell to schedule a time to work. Whether it is for set up on Monday or Tuesday, tending bar or cooking Wednesday, Thursday, Friday, Saturday or Sunday, or teardown of the bar on Sunday evening or teardown of the Cookshack on Monday evening, we definitely need your help.

I know I can't state this enough, you our Club member is one of our greatest assets along with the Club members of the Village Snow Seekers and the Ozaukee Snow Drifters. Your willingness to volunteer and help out where help is needed is greatly appreciated. Thank you in advance for helping us make this another profitable fundraiser.

ENTERTAINMENT SCHEDULE

We have the following line-up of live bands for our tent:

Wednesday, July 30	Solid Cedar	7pm - 11pm
Thursday, July 31	Solid Cedar	7pm - 11pm
Friday, August 1	Rock Codgers	7:30pm - 11:30pm
Saturday, August 2	3 RD Encore	7:30pm - 11:30pm

FALL PARTY

We are planning on our annual fall Club Party - Appreciation Outing and the date is Sunday, November 2, 2014. The location will be the Cedarburg Legion Hall. It is a Packer bye-week, so we hope most of our members will be free to attend our party. Please mark your calendars for this event; more details in future newsletters.
