## SPRING IS HERE...

I know we have waited long enough for this time of year, considering the snow cannot stick year round in our part of the country. Even so, with the snow melted and our trails removed, our Club is still busy with activity as we head into summer and work on plans for this summer's Ozaukee County Fair.

As many of you may know, changes are taking place at the Fair this summer. First off, Demo Derby will be on Saturday night and Sunday afternoon, which opens Friday night up for a concert in the infield. For this event, the Ag Society has booked Josh Thompson along with Chasin' Mason. This should be interesting considering Josh is from our area, yet no demos on Friday night?

Anyway, our tent will be in the same place as last year and the Fair runs from Wednesday, July 31<sup>st</sup> to Sunday, August 4<sup>th</sup>. Please mark your calendars accordingly.

Since it is spring, I'll keep this short and sweet. So until next time, keep your track on the snow ride safely.

## COUNTY FAIR IS NEXT

As you read above, it is time to start planning and thinking about the Ozaukee County Fair coming up in August. Here is our schedule for the fair:

SET-UP:	MONDAY, JULY 29 starting at 6pm
SET-UP:	TUESDAY, JULY 30, starting at 6pm
DATES OF FAIR:	WEDNESDAY, JULY 31 thru SUNDAY, AUGUST 4
BAR TEARDOWN:	SUNDAY, AUGUST 4 (starting around 7pm)
COOKSHACK:	MONDAY, AUGUST 5, starting at 5:30pm

Please mark your calendars with these dates as we will need all the help we can get. This is our one and only fund raiser and the income from our tent keeps us up and running for the next season as well as covers the next twelve Tucker payments. We will be in need of cooks during the day time as well as bartenders for Friday night plus volunteers throughout the rest of the schedule. Chris Habich will start calling our Club members in late May and early June as well as be in touch with the Snow Drifters and Snow Seekers Club Members in order to fill up our volunteer work schedule. Keep in mind we'd like to see at least a four (4) hour shift or longer. Besides cooking and bartending, we have need for stockers, cleaners, bun cutting, help with setup and teardown. So whatever your talents are, we need your help. Please give us a hand this summer in our tent at the fair to help support our Club. Looking forward to seeing you there!

## **COOK SHACK**

Quick update, at April's Club meeting, a motion was made to purchase an additional exhaust fan. This was due to our existing one not keeping up at peak times when both grills are going as well as the french fry frier. We were given a spending limit to purchase a brand new unit, yet after discussing this with an individual involved with sizing exhaust fans with commercial kitchens, it was decided to go with one similar in size to our existing fan. After some research, we found a pre-owned one that was taken out of a commercial restaurant possibly in Illinois. By going this route, we now have an exhaust fan equivalent to our existing one (2800CFM & 3200CFM) and we came in at \$700 less than what we were allowed to spend according to the motion. Not to bad, considering all we need to now is just mount it on the roof next to the other one. This will be done before the fair is here.

## **THANK YOU FOR TRAIL REMOVAL**

Goes out to all for their help removing our trails this past spring. Yes, we did get off to a rough start with all the rain and the mud we encountered. Once it dried up and we pulled each other out of the mud, we eventually got all our signs and map boards out of the fields. We do have one section of plastic snow fence that we need to remove and at the time of this printing, we are attempting to get it removed. Thanks goes out to the following for their help this past spring for their help removing trails, working on sign repair or straightening up the barn with our signs: Mel Trapp, Bob Denow, Mike & Alex Becker, Bob Thomas, Mike Morgan, Matt Geszvain, Herbie Kruegor, Jeff Habermann, Cal Cummings, Keith Jenks, Tim Einwalter, Bill Lawig, Bob Vanderloop, Peewee Fischer, Evan Fischer, Jeff Kaul, Mike Schoenfelder, Dan Burbach, John Haen, and Randy & Patty Kison. I do apologize if I have forgotten anyone; I am going by the sign-in sheets for trail work. Thanks again for all for volunteering their time this spring.

## **THANK YOU CIRCLE B**

We'd like to Thank Circle B Recreation for their generosity over this past season for allowing us to use their hall for our meetings. Plus, thanks goes out to them for donating the food at April's Club meeting

## **THANK YOU RUDY ZARLING**

For stopping in at our Club meeting and letting us know

more about the beginnings of our Club. Over the years, I have heard from our "older" Club members as to who, what and how our Club got it's start. Here, Rudy filled in some of the blanks and now I have a better idea of what it took to get our Club going. And, there weren't any trails back then; our Club was into racing snowmobiles and our trails came later, roughly in the early '70's. Now that is interesting, considering the first trails went from one watering hole to another.

We also had our scrap books as well as photo albums there and that lead to some interesting conversations. All of our historical info is available for anyone to check out; we will try to have them at future meetings. Plus, someone mentioned if we would be able to scan all of this info into the computer to put up on our website. It is possible, yet would take a lot of time and harddrive space.

Thanks again, Rudy, for stopping in and giving us more pieces of the history of our Club.

## **ELECTIONS**

This past April we held our annual elections to fill three spots on our Board of Directors. Mike Brown, Patty Kison and Steve "Peewee" Fischer have been elected at our Club meeting and their new terms start on September 1<sup>st</sup>, and run until August 31<sup>st</sup>, 2016 (kinda strange thinking of 2016, isn't it?).

Welcome aboard, Steve and welcome back Mike and Patty.

## **FALL PARTY**

We are planning on our annual fall Club Party and the date is Sunday, September 29, 2013. It is a Packer bye-week, so we hope most of our members will be free to attend our party. Please mark your calendars for this event; more details in future newsletters.

## **TWO WHEEL RIDES**

Now that we are into warmer weather, anyone interested in heading out for a evening ride on your motorcycle should give Tim Einwalter a call. He is looking to put together a couple of rides this spring and summer. Give him a call if you are interested.

## **FOR SALE**

1967 Evinrude 14 hp, wide track with cleats, electric & manual start and 1969 Evinrude 16 hp, narrow track with cleats, manual start, compression release when starting. Both have been stored in the garage under canvas covers. No cuts in seats. Tracks in great shape. Kept off the ground. Excellent compression. Asking \$850 for each but open to reasonable offer or package deal. Please give Don a call.
