CHECK OUT THE WEATHER.....

We have had unseasonably warm weather this fall and for outdoor work (like working on trails), this makes it either more enjoyable or not depending on the bugs. Even though we always look forward to snow, Denver already received twelve inches two weeks ago and now the east coast was digging out this past weekend from under wet and heavy snow as well. If this is an indication of what is in store for us this winter, then bring it on (once we have all our trails in and ready to go).

Back in our area, our Club Packer Party went over really well. There was roughly forty-five members joining us at this event. We did things a little differently than in years past; we had appetizers during the first half and then shortly after half-time, we brought out the burgers and brats and side dishes for all to enjoy. This kept things moving and it went over really well; I did receive many complements on doing it this way. Having the meal during the game helped keep dinner earlier instead of having it after the game and then going later into the evening.

Thanks to Chris Habich and Patty Kison for coordinating this event and Denny and Kathy Kison for setting up the pools. Also to Edgewater for hosting our party and the Packers for beating the Vikings, which was the icing on the cake.

There is more as you read on with all the happenings in our Club. So, till next month, keep your track on the snow and remember, "United We Trail, Divided We Fail"

SKI-DOO Millions - Club Members and Landowners

LAST CALL !! We still need your help to raise money the easiest way possible with the Ski-Doo Millions. This program ends on November 15, 2011; unfortunately, I'm not sure how many members have turned in their entry forms at this time. We will send out one more reminder email to all email addresses we have to remind folks to help us out. Those getting this via the mail, please fill out the entry form on line by entering the following website address:

<http://en-us.ski-doo.com/clubsupport2011/Home.aspx>

and following the instructions. Remember, Club members and Landowners of Monticello are all able to enter this for us and both husband and wife or member/landowner and significant other are both able to enter. We will get \$10 per member (not family) towards our Club. Once filled out on-line, you'll receive within a week or two, the entry form in the mail with your information that you filled in online. This is what is needed to be turned in to us at November's Club meeting or drop it off at Cedar Creek Motor Sports.

If you do not have access to a computer or the internet, please ask a friend or family member to help you with this or stop in at this month's Club meeting and we'll help you register. So let's turn it up this year and get the maximum available; we could definitely use the extra money to help support our Club.

MILWAUKEE SNOW SHOW TICKETS

We were given two sets of two tickets to this year's Milwaukee Snow Show at the State Fair Park courtesy of Cedar Creek Motor Sports. All members at our October's Club Meeting put their names in a hat and then we drew out two names; The winners were Chris Bumpke and Alex Becker. Congratulations, guys!!!

Sno-Faris for Winter 2011

Our first Sno-Fari is set for January 20 thru 22, 2012 to the Land 'O Lakes area and staying at the Gateway Lodge. Deanna Einwalter has volunteered to coordinate this trip this season as well as the hospitality room on Saturday night. For room information and trip details, please give Deanna a call at 262-227-3227.

Our second Sno-Fari is set up for February 17 thru 19, 2012 and the destination is Gwinn, Michigan. We were looking to stay at the Redd Foxx Inn, yet we haven't been able to contact them as of yet and have heard they may be closed. Fortunately, we have some time to figure this one out. Chris Bumpke had volunteered to head up this Sno-Fari so if you need trip details or room info (once we have this), please give him a call at 262-707-9542.

GRAFTON'S CHRISTMAS PARADE

We are looking to change things up a little this year. There will still be our Tucker on Bob's goose neck trailer as well as another truck pulling a trailer with snowmobiles from Cedar Creek Motor Sports. Yet we would like to set up a float on our four place trailer that will fit into the parade theme "There is No Place Like Home". Matt Gezvain has volunteered to head up this project and is looking for members to volunteer to help out. Please give him a call at 414-640-7012 or stop in at November's Club meeting if you are able to help us out with this event.

TRAILWORK

By the time you have received this newsletter, we will have worked three Saturday's (two in October and one in November) brushing and install trails. There is one more Saturday in November to work on trails before deer hunting starts as well as the first Saturday in December. As of now, we are planning on either Saturday, November 12 or Saturday, December 3 to re-do our bridge east of Granville and north of Sherman. This bridge needs a new deck as well as two more telephone poles. We will need a good sized crew to help out with this bridge. Let us know if you are

available to assist with this project by giving me a call (414-702-6188) or stopping in at November's Club meeting. Thanks.

LANDOWNER GIFTS

We are including your landowner gift with your newsletter this month. It is a gift card good at Pick 'N Save as well as a few other grocery stores. We appreciate you allowing us access with our trail each season. Without the use of your land, we would not have the trail system we have today. Just a little something to say "Thank You" for allowing us to use your land last season.

2011-2012 Important Club Dates

Please mark these dates on your calendars:

Saturday, November 5	Trail work
Thursday, November 10	Board and Club Meeting
Saturday, November 12	Trail work
