ONE SEASON ENDS, ANOTHER BEGINS....

Guess what, it is September, and fall will be upon us quickly as summer has flown by. I know it may seem like summer had just started, yet the fair came and went and now we're on to September. We have had a very good fair that will support our Club through this new season as well as cover our Tucker loan for another twelve months. As for next summer, the County Fair will open on Wednesday, August 1; we're not sure where our tent will be located due to the Curling/Multi-use building going up just west of our tent. There are many rumors out there and we're doing our best to stay in contact with the Fair Board as well as the supervisors for Ozaukee County in order to stay informed as to the plans for the fair. And no, we're not going to be as far north as 5 Corners (at least that's what we're told). Our sales were up over last year, yet so were our expenses. Stop in at the September Club meeting as we'll discuss all of the details.

As we're starting out another season, I have included on the back of this newsletter, a listing of important Club dates. Please add them to your calendar and give us a hand as we need to do trail work this fall, hold Club meetings and have a Club member Packer party this fall. Also, the Grafton Christmas parade is happening right after Thanksgiving, and we're looking to jazz things up a little and will need help with that as well.

Once again, I have used up my allotted space and need to wrap it up. So, till next month, keep your track on the snow and remember, "United We Trail, Divided We Fail".....

County Fair Thank You

We would like to thank everyone for working at the County Fair. Without you, our tent as well as our Club would not be in existence as it has since day one back in '67. Its is great to say "Thank You" to our "100% Volunteers"; without you, our Club would not be the Club that it is.

A special thanks goes out to our own "Nesco Queen", Chris Habich, for another job well done with setting up our work schedule, ordering food and beverages, putting together the menu and overseeing the daily operations. Chris had many volunteers helping her out as well throughout the run of the fair. More special thanks to all those putting in many extra hours; some of you came down every day to check in and help wherever needed. That was so greatly appreciated.

We'd also like to thank all of our volunteers from our Club, the Snow Seekers and the Snow Drifters as well as friends of our members for helping us make this another successful fair. Thanks goes out to the following volunteers: Ken Seidl, Bill Ladwig, John Haen, Mark Gall, Mike Mueller, Mel and Jan Trapp, Mike and Vicki Brown, Andy Malsom, Keith Martin, Todd and Angie Habermann, Matt Geszvain, Jeff Habermann, Dennis Guttmann, Bobby Thomas, Hibber and Chris, Randy and Patty Kison, Chris and Mary Bumpke, Bob Thomas, Jim & Jake Thomas, Mark & Lisa Helm, Mike Dondlinger, Clint Habich and Kelly Kotes,

If I have forgotten to mention someone or spelled your name wrong, this was unintentional. I do apologize for that and we do thank you for your help; I'm working off of the schedule and sign-in sheets for the above listing. Thanks again for all of our Clubs and friends working together to help us with our one and only fund raiser another success.

Elections and Board Members

As another season starts, we've had some changes on our Board. We would like to thank Denny Kison and Dave Pom for their service as a Board Members for many years. Both of them had declined re-nomination last spring and their Board terms ended on August 31st. Since Dave is our Club's vice president, he will finish out his term which ends next August 31st. Thanks again to both of you for your time serving on our Board.

New Board members are Matt Geszvain and Deanna Einwalter; we welcome them both aboard and look forward to their help and commitment to our Club.

Officer election took place at our last Board meeting in August and Mike Brown was re-elected as Secretary and Dan Burbach was re-elected as President. Both of their terms are two year terms; thank you to both of them for their willingness to serve in these two functions for our Club.

Club Packer Party

Club members, we have included a flyer in your newsletter regarding our Packer Party scheduled for Sunday, October 23, for the 3:15pm game between the us and the Vikings. Please see the flyer for further details.

Landowners

We will be contacting you later in September and early October to get your permission to cross your land again this season with our snowmobile trail. Please let us know if you have any concerns, or problems from last season, or if you need the location of our trail changed. We appreciate you allowing us access with our trail each season. Without the use of your land, we would not have the trail system we have today. Thank you in advance for your help and permission.
