OZAUKEE COUNTY FAIR NO. 48!!

Another Ozaukee County Fair is under our belts and there is additional money in our checking account. Thanks to all our volunteers for helping with our one and only annual fund raiser this past July/August. Without our members and landowners, members of the Snow Seekers and Snow Drifters, and friends and family who don't snowmobile, we wouldn't be able to make our fundraiser a success each summer. It takes a large crew to set up, clean, stock, cook, tend bar, etc., over the week of County Fair for us to make this work and to pay off in the end. Without our dedicated volunteers, we would not be able to function as we do in our sport of snowmobiling. And once again, we were profitable after all the dust had settled. The only bill to pay at this time is the Wisconsin Sales and Use Tax which will be paid this next week. After that, all the numbers on the spreadsheet for the fair are set. So stop in at our September's Club meeting as we will be discussing the income and expenses as well as our profit.

Just to let you know, even though we made a good profit again this summer, we are down as compared to the last couple of years. Our Board has gone over our numbers and we will discuss our reasons on this plus answer any questions that arise at our meeting. One item that stood out was Saturday's income was lower as compared to previous years, which was due to lack of attendance. That concludes our brief overview; more on this at our Club meeting.

For the fall, we do have dates penciled in for trail work. Plus, the Club member's party will be on Sunday, November 8 at Edgewater. Since the Packers are playing an away Game that Sunday, we will be hosting our party as a "Packer Party". It is a noon game at this time; more details in October's newsletter.

Alrighty then, enough of my thoughts and ramblings; let's move on to other topics. Until next month, keep your stick on the ice and let's start cutting the tall grass surrounding your sled!!

CIRCLE B

A hearty thank you goes out to Mark Klotz and Circle B for donating the beer cups for our tent at the County Fair. Thanks again for helping us out with your donation!!

THANK YOUs

As you have read above, we pulled off another successful fund raiser for our Club. We would not have been able to accomplish without the volunteers from our Club, the Snow Seekers, Snow Drifters as well as other friends and family of our Club. The countless hours put in by all these volunteers make our food and beer tent a success each and every summer. For starters, thanks goes out to Chris Habich for heading up and coordinating all that happens at our tent from setting up the work schedule, ordering the food and beverages, running and getting supplies, obtaining donations from local establishments to help cover the bands, plus working in the cookshak as well as behind the bar. Secondly, thanks goes out to Patty Kison for helping Chris wherever needed, taking care of our Club T-Shirts from set-up to ordering, picking up and distribution of them, working in the cookshak and finally, handling our finances before, during and after the fair. And third goes out to Angie Habermann for working each day helping out wherever needed.

Next, we would like to thank the rest of our volunteers for the following: helping bring the trailers down to the fair, loading up the picnic tables, setting up the bar and cookshak, loading up and transporting the Tucker to and from the Fair, pre-cleaning,

cooking, bartending, stocking, food prep, post clean up, teardown of bar and cookshak as well as pressure washing the cookshak prior to loading it up and finally transporting all back to our storage facility. So a hearty thank you goes out to: Mel & Jan Trapp, Jeff Kaul & Marlene Kasten, Mike Dondlinger, Peewee, Dennis Guttman, Andy Malsom, Matt & Melissa & family Geszvain, Bill Ladwig, Steve Kalsow, Mike Mueller, Hibber, Todd & Angie & Nick Habermann, Bob Thomas, Bobby Thomas, Mark & Lisa Helm, Ron Kuenstler, Nicole Busack, Dave Pom, Dennis Wacker, Keith Martin, Mark Schmidt, Lisa Hansen, Ken Siedl, Jeff Habermann, Dan Burbach, Randy Kison, Kathy Kison, Cathy Kison, Clint Habich, Kevin Mitsch, Heather Brandt, Spanky & Carole Beyer, Roy "Hopsing" & Diane Lange, Mike & Vicki Brown, Bob & Lauren & Lindsey & Lucas Pericak, Rick & Kim Dickmann, Jim & Jennifer Hoffmann, Frank Even, Wally and Mary Ann Thill, Rick "Ricky Bobby" Hall, Sandi & Karl Birkenbach, Jan Stiffler, Chuck Laufer, Bob & Julie Vanderloop, Bob & Pam & Tyler Denow, Dave & Cathy Hartwig, Rachel Hartwig, Dirk & Cherice Uhlig, Tim & Deanna Einwalter, Cal Cummings, George Menos, Gerri Zadrow, Bill Dickmann Jr., Jim Kaul, Scott Heuer, Steve Paulus, Eric Oleson, Cathy Becker, Mardel Habersetzer, Dean Derge, Scott Lemke, Craig & Lori & Alex Hoffmann, Alex & Sandy Gaeth, Scott & Donna Landon, Ryan Hartwig, Mary Demler, Darlene Sukowski, Kirk Nimitz, Lynn Simonis, Steve & Terry Proefrock, Jim Buol, Tony Lore, Patty Lassila, Debbie Klotz, Rick Lanza & Allise Dicono, Mary Rose, Kevin Kennedy, Kurt Kleinert, Dan Farkas, Bonnie Bartel, Keith Jenks, Mike Schoenfelder, Jim Zipter, Mike Slamann, John & Sandy Klein, Steve Laatsch, Brad and Jackie Largin, Lee Roller, Sid Prom, Gary Mayworm and Jason Bublitz.

Once again, thank you to all for volunteering to help us make this another successful fund raiser. I apologize ahead of time if I have left you out of the above list; it was not intentional as I'm working off the sign-in sheets as well as the work schedule. In case you were missed, it was not intentional and we do thank you for your help; please let us know if you were forgotten.

MEMBERSHIP & AWSC RENEWAL

Club members, please find your membership application in this newsletter along with the form for obtaining your Wisconsin trail pass(es) (more on this form later). We need our Club's application filled out completely and returned to us with your dues no later than October 15, 2014. Even though we take applications all year long, we need to get our renewing member's applications to us on a timely basis, now especially with the new trail passes needed for our trail system. This helps us keep our membership list up to date with cell phone numbers, email address, and your physical address plus keeps our membership list that we submit to the AWSC current as well. Please drop it off at September's or October's Club meeting or mail it to the address listed at the bottom of the application. Thank you for your support!!

Trail Passes at a discounted price are available to you if your membership in our Club as well as the AWSC is current. You can fill out the attached form or go to the AWSC website and fill out their online form. Major item needed is your AWSC membership number. You can find it on your yellow AWSC membership card or on the address label of your AWSC magazine or contact Deanna Einwalter for your number. Remember, every snowmobile that is ridden on any Wisconsin snowmobile trail must have a trail pass (just like riding in the UP) as well as a current registration.

LANDOWNERS

Starting in mid to late September, we will be calling you to obtain your permission to cross your land again this season and to see if there are any issues or changes that need to be addressed. Also, there are a few properties that are either up for sale or have been sold; we will be checking on this to determine trail status as well as permission. Thanks in advance for your help with our trails.

TRAIL WORK

We are planning on starting trail work in mid October; please mark your calendars for our work dates as seen below. We meet at the Kison Farm at 7:30am and work until noon; this leaves the rest of the day for our own personal to-do items. Look forward to seeing you there; the more help we have, the sooner our trails will get done.

We will be discussing the section where we were cut off last season to see if any new developments have happened. Also, we've noticed a few new houses popping up on Pleasant Valley Road. Our work is never done.....

TRACTOR UPDATE

We are still in search of a tractor for our use to cultumulch. We have found roughly five or six and none of these have panned out (due to pricing or other issues). So we are still on the hunt for one; and we keep coming back to a gasoline tractor with at least 85hp, 18x34 rear tires (minimum) and weighing in at 9000lbs or more. Our "tractor committee" has our Club's best interest in mind as they check out the tractor leads we send over to them. Send us your leads!!

FALL PARTY

We are planning on our annual fall Club Party - Appreciation Outing - Packer Party and the date is Sunday, November 8, 2015. We are headed back to Edgewater Golf Club; plus the Packers play an away game that day with kickoff at noon and our party will start before kick-off. Please mark your calendars for this event; more details in future newsletters.

SNO-FARIS

We are looking to plan a trip in February to somewhere in the North Woods; we will try to get something scheduled or at least have some idea where we would like to go. More information on this at September's Club meeting as well as October's newsletter.
