WELCOME TO FALL!!

This season brings along your typical fall smells, like the leaves falling out of the trees, the exhaust of chain saws and brushers working on trails, plus the exhaust of your snowmobile as you pull it out of your trailer and into your garage to go thru it before it starts to snow. Even though Lori and I have invested in four-stroke snowmobiles, just getting a whiff of two stroke exhaust gets me thinking of snow as well as when I used to ride Bolens sleds! Boy, those were the days!!

Now that brings me to my next item, being a member of a snowmobile club. Going back to the days as an early teen and riding a Bolens Sprint through out the county, my friends and I really didn't know much about the snowmobile trails let alone the rules of snowmobiling, so we rode where ever we wanted. Since joining our Club in the mid '80s, going to meetings and becoming active with the guys working on trails, I learned quite a bit regarding how we created our trails, what goes into maintaining our trails and what we need to do each season to keep them intact. It was surprising how I failed to be a good snowmobiler (especially staying on the trails) before joining and now, many years later, I find it very difficult to be a bad snowmobiler (going off trail, cutting the corner or trespassing). Joining a Club and being active is rewarding as well as a great learning tool. So if you have friends that snowmobile and do not belong to a club, encourage them to join a snowmobile club. It doesn't have to be ours, just being a member in a Club goes a long way to support and promote our sport!

Well, I'm out of room again, so I'll step down off of my soap box and move on to other Club information. So until next month, start trimming the tickle weeds from around your sled and/or trailer and pull them into the garage; winter is coming up next!!

FEW MORE THANK YOU'S

We missed a few last month for the Fair and want to send our thanks out to Jason Elliot and Ryan for their help at our food and beer tent. Sorry for overlooking you two; thanks again for your help!

Also, a hearty thanks goes out to Mike Mueller for his help throughout the year making copies of our newsletter each month as well as making up the landowner coupons, menu pads and hooking us up with the sound guy. Thanks again for your help Mike each and every month!

LANDOWNERS

We will be contacting you over the next couple of weeks to obtain your permission for us to cross your land this season with our snowmobile trail. Following our contact, we will start with brushing and then marking of our trails. If there were any issues or problems from last season, please let us know as we would like to address them before our new season starts.

And thank you for your permission to allow us to cross your land each season; without our landowners like yourselves, we would not have the trail system we do here in Ozaukee and Washington Counties.

MEMBERSHIP

During the fall of each season, we collect membership dues from you, our Club member. We would prefer to have all our members to renew by October in order to keep our Club records and AWSC rooster up to date. We do need you to fill out an application regardless if you are renewing or are a new member. Please drop off your dues and applications at our October Club meeting or mail them to the address found at the bottom of your application.

Plus, with the trail passes needed each season, the sooner you turn in your renewal application, the sooner we'll get your AWSC card to you in order to get our trail pass. The forms to obtain your trail passes are on the website listed below or we will have some forms at September's Club meeting. If you have any questions on this, feel free to call myself or Deanna Einwalter or go to the AWSC.org website:

<https://awsc.org/Trail-Pass-Registration>

Thanks for your support of our Club and our sport!!

TRAIL WORK

We are planning on working on trails starting with Saturday, October 20 and continuing on the following Saturdays; please mark your calendars to lend us a hand as with the rain in late summer plus the winds, we have some brushing to accomplish:

Saturday, Oct. 27 Saturday, Nov. 3
Saturday, Nov. 10 Saturday, Nov. 17
Saturday, Dec. 1 Saturday, Dec. 8 (if needed)
We meet at the Kison Farm (929 Elm Road, Cedarburg) at 7:30am each Saturday.

There is an area south of Hwy. 60 and east of Horns Corners Road that will need special attention again this year. Matt Geszvain is on the recreation committee that oversees that development area and is working with the Town of Cedarburg to get us a permanent trail thru that area. More as the falls moves forward.

Looking forward to see you there for brushing!!

CLUB - PACKER PARTY

This date is the real McCoy: Sunday, October 28 (plus see party flyer included in this newsletter). It will be at Edgewater Golf Course and with it being an afternoon game, we will have a light dinner at half-time with appetizers during the first half and who knows, we may have something for the second half! The food is at no cost to our Club members, yet we will have a cash bar. Please RSVP at the October Club meeting or call Chris Habich by Sunday, October 23rd. See you there!!

UPCOMING DATES:

Monday, October 8 Ozaukee County Meeting
RR Station, Saukville 7pm
Thursday, October 11 Board & Club Meeting
Circle B, 6:15pm & 7:30pm
Saturday, Oct. 20 Trail Work, 7:30am Kison
Farm
Saturday, Oct. 27 Trail Work, 7:30am Kison
Farm
Sunday, Oct. 28 Club - Packer Party
Edgewater Golf Course
Doors open at 2:45pm
