*40 Years of Snowmobiling
and We're Still on the Trail...
1966 - 2006*

NEXT CLUB MEETING:
Thursday, April 12, 2007

A Wet Spring...

The snowmobiling part of our season, in my opinion, officially ends on Sunday, April 15, 2007. As of this date, we are required to have all of our trail signs removed so our landowners can start working their fields. The drawback this spring has been the rain, and as you have seen from driving around the town of Cedarburg and Jackson, there is a lot of standing water. We would need hip waders or an amphibious vehicle (I've heard there is one up in Mercer) to get into those areas. Plus, even the fields that are not flooded but are in low lying areas, the ground is too soft and we may cause more damage than it is worth if we cross those fields. So out of the last three weekends, we have only pulled trails on the first weekend and have struck out on the last two; we are planning on going out this upcoming Saturday (April 14) to try to finish up for the season.

This month, we will be holding elections at the Club Meeting. Next fall, we are looking at donating money for two scholarships to be made available next spring at Cedarburg and Grafton's High Schools. We will discuss this more in the fall to work out the details.

Now it is on to our next season within a season – our fund raising season with the county fair. And it is our 40th year we have had a tent at the fair. So mark your calendars for August 1 thru August 5 for this summer's Ozaukee County Fair. Our calling committee will be calling in late May or early June for volunteers to work in our kitchen or behind the bar.

Till next month, keep your track in the snow and I'll see you on the trails.

TRAIL WORK

We got a good start on pulling our trails but the rain has delayed us for the last two weekends. Right now, we are planning on finishing up on Saturday, April 14. We will meet at Ma Kison's at 7:30am and head out to pull the markers. Plan on working till early afternoon. Also, plan to wear boots that allow you to walk thru water if needed.

We need to thank Mel Trapp for removing the markers along the roads from the north end south to Highway 60 and west along 60 to Lizebeth Lane. Mel, you got us started out on the right foot and we doing our best to finish them up. Thanks, again!!!

ELECTIONS THIS MONTH

We have three Board Member's terms expiring on August 31, 2007 and we will hold elections to fill these three spots. The current Board Members whose terms are up are:

Patty Kison

Mark Gall

Mike Brown

Nominations will take place under new business and we will vote following this. Call or email or join us at the meeting to nominate your fellow club member(s). The more the merrier. Remember, be there or get elected.

FOR SALE

2005 Polaris 550 Super Sport w/reverse, 400 miles, fan cooled, cover & oil & windshield bag included, asking \$4500. Call Jeff @ 262-623-0150
