## ***SUMMER IS HERE SOMEWHERE....***

Its finally spring time around here or is it summer?? Either way, I'm still waiting to see snow flurries at some point; oh, wait a minute, today is the start of June and seeing snow here in our area is a really long shot. The weather hasn't been very favorable so all we can do is look at the calendar to confirm what season we are in at this time. Anyway, following spring is summer and summer is when the county fairs happen. Our Ozaukee County Fair will happen in early August; set up will be on Monday and Tuesday, August 1<sup>st</sup> and 2<sup>nd</sup>, with the Fair officially opening on Wednesday, August 3<sup>rd</sup> and running thru Sunday, August 7<sup>th</sup>. Tear down of the bar will happen on Sunday night starting around 7pm; tear down and cleaning of the cookshack will take place on Monday night, August 8<sup>th</sup> starting at 6pm. If you haven't done so already, please mark your calendars for these dates; we will need all the help we can get due to this is our one and only fund raiser.

Our calling committee will be contacting all of our active Club members as well as members of the Ozaukee Snow Drifters and the Village Snow Seekers to fill our work schedule. As mentioned above, any and all help is definitely appreciated. Whether you help for set-up, pre-cleaning, tending bar, cooking, frying, food prep, clean-up, or tear down, we do need your help. More on the fair from our very own Nesco Queen starts below.

So until next time, keep your track on the snow (if you can find some) and ride safely.....

## **Notes from the Nesco Queen**

As our Ozaukee County Fair approaches, I'll be calling you to set up the work schedule for setup, kitchen (cooking, food prep, frying), bartending, stocking, or teardown. New this year will be french fries; after twenty to twenty-five years of discussing this, the Board has finally agreed to attempt this at the fair. Right now, this is on a trial basis only; we will need additional help to take care of this function. If it goes well and our profits reflect this, then we'll try it again next fair.

*Nesco Queen Continued on back* 

## ***Nesco Queen's Notes Continued.....***

Please be willing to work where we need help; right now, here are the areas that are usually hard to fill:

**Wednesday morning – one cook;**

**Wednesday evening – one cook;**

**Saturday 4pm to 9pm – four kitchen help;**

**Saturday 6pm to close – two kitchen & four bartenders;**

**Sunday 2pm to 7pm – three kitchen & four bartenders.**

This year, the Fair is later than usual so we will have to work around the Wisconsin State Fair due to the overlap in schedules. Plus, everyone has vacations and other plans that are crammed into their summers, yet this is our one and only fund raiser. The profit we make helps us cover our Tucker payments as well as keeping our Club afloat for the next season. As many of you know, it takes many volunteers to get our bar and cook shack set up and under way as well as countless more hours to run and manage it in a profitable manner. Plus the help from our two fellow snowmobile clubs definitely provides us with volunteers to get this job done and done well.

We are very fortunate to have Club members volunteering to groom our trails, install and remove our trails, staff our bar and cook shack at the fair, and maintain our groomer (donate labor). Unfortunately, the cost of fuel continues to climb and does get expensive plus the bank still owns our Tucker. So we need to make a good profit from the fair again this summer, so we can carry on for another twelve months. We all like groomed trails as well as an awesome burger, fries and a cold beverage; so hopefully with your help, we can once again have another profitable fair as well as have the “Best Burger” at the Ozaukee County Fair. Remember, “United We Trail, Divided We Fail.” See you at the Fair.

## **THANK YOUs**

Couple more to send out from this past season. First, we'd like to thank Mel Trapp and John Haen for their help repairing and getting our signs in good shape before and after our season. Secondly, we'd like to thank Mark Helm for covering the costs of the pizza's at April's Club meeting. Thanks again for your generosity and for helping our Club be the Club that it is.

## **ELECTIONS**

As with every spring, we have three Board member terms coming due in August, leading us to hold nominations in March and elections in April. We were able to nominate three Club members in March, yet two of them have decided to decline the nomination. So at April's Club meeting, two additional Club members were nominated to the Board of Directors and then they were all elected to the Board. They are Deanna Einwalter, Matt Geszvain and Chris Bumpke. Congratulations to these three and we welcome you to the Board.

## **FOR SALE**

Three Black powder replica hand guns; never used. Also re-loading supplies plus lead for making shot. Call Dan at 414-702-6188 for details.
