WARM WEATHER HAS ARRIVED!!

For a cold spring, all it took was Memorial Day to get closer and then once it was here, warmer temps showed up and have been here ever since. Typical Wisconsin weather and we're here to enjoy it as best as possible. So, yes, there isn't any snow, yet we still need to put out a newsletter to keep in contact with you, our members and landowners. Plus, our annual fund raiser is approaching in late July and early August (more on this later in the newsletter).

I do realize when you get this newsletter, it may be difficult to think about snowmobiling due to the warm weather activities that we are all involved in. I know for myself, that would be the issue, yet our Club still runs during all twelve months throughout the year and our Board of Directors still meets once each month. And as you read further, we do have some unfinished business from this past spring. Since we didn't put out a May newsletter, we have some "Thank You's" needed from trail removal. Plus we need some culverts to help drainage along a portion of our trails.

So enough of my thoughts for now; the lawn needs cutting and it is a nice day outside. So, until next month, keep your track supported off the concrete floor and remember, "*United We Trail, Divided We Fail*"...

BELATED THANK YOU'S

First off go out to John Haen and Mel Trapp for organizing the sign shed at the Kison Farm. I've been informed that our signs have never been this organized before; so no matter what you are looking for, you'll be able to find it fairly quick. Thanks, John & Mel, for taking the time to sort all of our signs.

Also, thanks goes out to our volunteers for helping groom this past season as well as removing our trail markers this spring. Thanks goes out to Randy Kison, Matt Geszvain, Peewee Fischer, George Menos, Rick Knox, Dennis Guttman, Keith Martin, Dave Pom, Cal Cummings, Jared Kison, Mike Wagner, Mike Schoenfelder, Jeff Kaul, Keith Jenks, Curtiss Rutkowski, Dominic Boppel, Mel Trapp, Tim Einwalter, Bob Vanderloop, Rick Dickmann and Chad Dickmann. Without our volunteers, like those above, we would not be able to maintain the trail system we have in Ozaukee and Washington Counties. Thanks again for all of your help!! (If I have forgotten anyone, it is unintentional and I'll apologize ahead of time. I am going off of the sign in/out sheets for trail work, so if you hadn't signed in or out, then I missed you.)

OZAUKEE COUNTY FAIR

Is right around the corner, yet at the end of July. Please note, that Chris Habich will be calling you, our members, to sign you up to help out at our annual fund raiser. We need many volunteers to help us staff our food and beer tent; the profits from this will help pay off our Tucker loan (it will be paid off after this summer's fair, two years early!!) as well as provide us with the operating capital for the next season.

Here are the dates and activities for this summer's Ozaukee County Fair:

Monday, July 28 Set-up starts at 5:30pm
Tuesday, July 29 Clean cookshak (during the day)
Finish set-up; start at 6pm
Wednesday, July 30 Fair Opens
Sunday, August 3 Teardown starts @ 7pm
Monday, August 4 Cookshak cleaning and
Teardown starts @ 5:30pm

For those looking to see what we have scheduled for our musical acts at our tent, here they are:

Wednesday, July 30 7pm - 11pm Solid Cedar
Thursday, July 31 7pm - 11pm Solid Cedar
Friday, August 1 7:30pm - 11:30pm Rock
Codgers
Saturday, August 2 7:30pm - 11:30pm 3rd Encore

Remember, we have many jobs to be filled with our food and beer tent: haul trailers to the fair grounds, help set-up bar and cookshak, cleaning cookshak, stockers, bartenders, cooks and food preparers. With this list of jobs, we do need many volunteers to help from start to finish with our annual fund raiser. It is the same as with trails, without you, our membership, we would not have the manpower to operate our food and beer tent. Check your schedules and let us know when you are available to volunteer your time. Our work schedule has a lot of open spots on it at this time. Thanks in advance for your help.

CONGRATULATIONS

To Deanna Einwalter, Matt Geszvain and Cal Cummings for being re-elected to our Board of Directors. Thanks for volunteering your time to help run our Club.

CULVERTS NEEDED

We are in need of two culverts, one (1) at 12"x24' and one (1) at 15"x24' or both at 15"x24'. Material can be either steel or correlated black plastic; we are looking for used ones, yet we have not found what we are looking for at this time. This would help with drainage when spring hits or even if we have an early January thaw. If you have any leads on these or have some that we could use, please call Matt Geszvain.

TRAIL UPDATE

We have two re-routes at this time (one is minor and one isn't) as well as we are trying o straighten out our trail by Deckers Corners. With new owners of the former Country Keg (or whatever name you recall), we would like to extend that trail east or south to get back to our main trail. So as you are reading this, trail work is always in the works with or without snow.

FOR SALE

2010 Ski-Doo 800R all black with 6500 miles. Extras include new belt, cover, gallon of oil, yellow hood and console. \$5700 or offer. Call Cal.
