## ITS SUMMERTIME....

Summer has finally reached us and we're cruizin' right thru June. I do know time does fly, as it seems like we just had our April Board and Club Meeting and now we just held our June Board Meeting in regards to our tent at the Ozaukee County Fair. Even though the "meat" of our season is roughly a three-month window, our Club still operates all year long.

As many of you know, our one and only annual fund raiser will be held again this summer at the Ozaukee County Fair in the form of our food and beer tent. We have been raising money at this Fair since our Club was founded way back in 1967, so we are reaching the fifty year mark along with our Club's 50<sup>th</sup> anniversary. It is pretty cool to see how we have changed up our offerings over the years in regards to food and beverages. If my memory serves me correctly (and no, I was not working nor in attendance during the first fair our Club was at), our menu had at least hot dogs and polish sausage (I believe some of the wives cooked up some other items at home) plus Pabst and maybe coca cola. Incredible considering now we have two large commercial grills as well as a deep fryer for french fries! We have come a long way over the years and have had many volunteers helping us out in order to help us make this successful each and every year!

Now getting back to the present, with the funds raised over the five day run of the Fair, this gives us the operating capital to operate our Club for the next twelve months. Yet in order to get the funds, we need many volunteers to help us out at our tent: help setting up our bar and cookshak on Monday (8/1) and Tuesday (8/2) starting at 6pm; help cleaning our cookshak on Tuesday (8/2) in preparation for inspection; help stocking, cooking, frying, food prep and bartending Wednesday (8/3) thru Sunday (8/7); help tearing down the bar and packing up the cookshak on Sunday (8/7) starting at 7pm; and finally, help tearing down and washing the cookshak on Monday (8/8) starting at 6pm. There is a job for everyone and we need as many volunteers to help us out as possible in order to make our one and only fund raiser successful again this year.

So check your schedules and lend us a hand this summer! As you can see from the picture at right, our tent is packed and our volunteers are keeping them happy!!

## OZAUKEE COUNTY FAIR

Chris "Nesco Queen" Habich has been calling our members as well as the members of the Snow Drifters and Sno-Seekers to get our volunteer schedule filled up in order to fill all shifts. If you haven't gotten a call or you need to return Chris's call, please call her on her cell phone within the next week or two. The sooner we get our work schedule filled in, the better off we will be.

Plus, we do need help for set-up as well as tear down. We always have awesome help setting up for this event, yet we always need additional when we are tearing down and packing up for next fair. We do realize that by the end of the Fair (Sunday evening) we're all tired and worn down, yet we do need a good group of volunteers to help pack up the supplies and clean in the cookshak as well as tear-down and pack up the bar starting around 7pm. If we could get at least a dozen volunteers to help, we'll be packed up and out of there by 9:30pm. Let Chris know if you are able to help with teardown and/or setup when she is calling to get volunteers for our work schedule.

We know summer's are pretty busy for all of us, yet this is our one and only fund raiser that supports us all season long. We will need more than the normal amount of volunteers this summer to cover all that we do at the Fair. Look forward to your help this summer!!

## LANDOWNERS

Watch your next newsletter as we will include your gift certificate to be used at our food and beer tent at this summer's Ozaukee County Fair. It is good for food and drink during the five (5) day run at the Fair, so stop on in and have a lunch or dinner on us! Just a little something from our Club to say "Thank You" for allowing us to put our trail across your land this past season. Without your permission and generosity, we would not have this awesome trail system. Thanks again!!
