CLUB MEETING -----> NOVEMBER 9TH AT 7:30PM

Due to the Club Member Packer Party coming up in early November, we needed to get the newsletter out early this month, so don't be alarmed and think the Club meeting is earlier than usual. It is still on the second Thursday of the month, and for November it is on Thursday, November 9th.

Otherwise, we have lined up a guest speaker this month to fill us in on the reign of Miss Snowflake and in December, we're working to line up another guest speaker whom we cannot mention just yet due to no firm commitments. More in our next newsletter.

Moving forward, we're trying to keep our meetings interesting (and they sure are) and upbeat as well as informative. Any input and/or feedback anyone has, please pass it along to us.

Lots more to follow as you continue to read on.....

So until next time, let's load up our chainsaws and knee boots, and head out to work on our trails!! See you at November's Club Meeting!

PACKER PARTY

Is coming up on Sunday, November 12, 2017. We are having this party at Edgewater Golf Course and since it is a noon game, doors will be open at 11:30am. Club Members, check out the enclosed flyer for more details. We need your RSVP by Wednesday, November 1st to Chris Habich for a head count for our food order!

GUEST SPEAKER - MISS SNOWFLAKE

We have invited Erica Keene, Miss Snowflake 2016-2017 to be our guest speaker at our November Club meeting. Currently, Erica is from Stoughton and is going to school at UM-Platteville, and has been all over the state for different Club functions as well as events involving snowmobiling. We have yet to discuss her agenda, yet if you have questions for her as to what is involved in becoming Miss Snowflake or if you have daughters that may be interested, plan to join us at our Club meeting in November. We would love to see one of our member's daughter become Miss Snowflake; it has been a while since we even had a candidate for this role!

MEMBERSHIP & AWSC RENEWAL

Attention Club Members, if you already have renewed your membership, we do thank you for taking care of this in early fall. For those still needed to renew, please do so as soon as possible as we have included a membership application in with this newsletter. This helps keep our membership list up to date as well as our AWSC membership list up to date.

The B&B Printed by Mike Mueller and Mueller Funeral Homes.

We have begun the task of getting our membership list as well as our landowner list up to date, so the sooner you have your renewal into us, the sooner we will get all our lists squared away. So please drop it off at November's Club meeting or mail it to the address printed at the bottom of the application. Thank you in advance for your renewal!

And just a quick reminder, you will need a trail pass to ride your snowmobile on our snowmobile trails here in our fine state of Wisconsin. These trail passes are now available online or at certain outlets. If you have any questions on this, feel free to call myself or Deanna Einwalter or go to the AWSC.org website:

Thank you for your support!!

LANDOWNER GIFTS

Landowners, you should receive your gift card with your newsletter this month. This is just a small token of our appreciation for the use of your land for our snowmobile trails. Without you, our landowners, we would not have such an awesome thirty (30+) plus mile trail system here in Ozaukee and Washington County. Thank you for working with us and helping us keep our trail system intact year after year.

GRAFTON CHRISTMAS PARADE

Will be on Saturday, November 25 starting at 11am. Bob Vanderloop is heading up this event and we will need additional help to pull this off. Right now, we have one truck and trailer for our entry. There is room for an additional vehicle and trailer if we need one plus we may even make it snow for the parade.....

TRAIL WORK

Starts Saturday, October 21st at 7:30am and we meet at the Kison Farm; forecast has it being warm and sunny, so we are planning on getting a jump on our work. The following three (3) Saturday mornings are planned for more trailwork and then we'll take a break for deer hunting. Hopefully, all works well and we are able to get a majority brushed and marked by then. See you Saturday morning!
