HERE & GONE IN 5 DAYS...

As August winds down, we are looking at the end days of summer and the start of fall. Plus, our major fund raiser – our beer and food tent at the Ozaukee County Fair – came and went and we ended up with another good fair. All told, we were able to put twelve months of payments in the bank for our Tucker loan, and baring no hidden expenses (except a cultpacker), we will be able to stay in the black for the upcoming season.

Couple of highlights from this past fair, we were down on Miller products (only sold 51 - ½ barrels compared to 62 last summer) yet we were up on Bud products. Our new Ribeye Steak Sandwich was a big hit; we were sold out (sold 343) of them by Sunday. I know I bought at least four (if not more) during the fair and regardless if I cooked them or some else, they were a winner each time. The only draw back to them is that it took approximately six (6) minutes to cook them, but it was well worth the wait. This sandwich has my vote to come back next summer.

As for entertainment, we were able to secure a small sound system that allowed us to hook up an iPod to provide a variety of music during the day before our DJ started playing. Once the evening hit, we had 401(k)aroke again this summer and they were really got the crowd going. Having entertainment helps keep the crowd at our tent and allows us to sell more product.

And so, with another fair behind us and our new season ahead, we have what we need to take on the challenges that are in front of us. And with my time being up, continue reading on for more on the fair and other events. So until next month, keep your track on the snow and join us in September.

THANK YOUs

We would like to send out a “Thank You” to all our fine volunteers helping to make our fund raiser another major success. This includes the Snow Drifters, the Snow Seekers, our friends and family (who don’t snowmobile) as well as our Club, for helping out once again. First off, thanks goes out to Chris “Nesco Queen” Habich for taking care of coordinating our work force of volunteers (from all three clubs) as well as lining up all the food and beverages. It is a big job and Chris handles it with ease year in and year out. For our club sponsors, we would like to thank 5 Corners Pontiac GMC, 5 Corners Dodge Jeep Chrysler, and Cedar Creek Motor Sports for their support once again this summer. We enjoyed having your vehicles by our tent.

And for those not belonging to one of these snowmobile clubs, yet have ties to friends and family in one of these three clubs, we want to thank Heather Brandt, Michelle Springs, Mary Ernisse, Terry Kison, and Loren Melichar. And a special thanks goes out to our AWSC Director Wally and his wife MaryAnn for helping out again this summer.

We would also like to thank the volunteers from Ozaukee Snow Drifters and Saukville Snow Seekers snowmobile clubs for their help. The additional help

we received from them filled in areas where our Club couldn’t. Thanks goes out to all for their help (flip over):

From the Snow Drifters, we want to thank Jim Hoffmann, Jim Cripple & Geri Zedrow, Karl & Sandi Birkenbach, Mardel Habersetzer, Shawn Best, Lisa Hansen, Craig & Lori Hoffmann, Al Hansen, Bob & Pam & Lindsay Pericak.

From the Snow Seekers, we want to thank Bill Dickmann, Scott Heuer, Mark Schmidt, Jim Buol, Randy Mueller, John Fransee, Scott Bscherer, Shawn Grady, Jim Kaul, Rick Hall and Mark Blau.

From our Club, we would like to thank Kirk Nimtz, Keith Martin, Dirk & Cherice Uhlig, Mark Gall, Jeff Habermann, Chuck Laufer, Mike Dondlinger, Jim & Tammy Thomas, Bob Thomas, Bobby Thomas, Mel & Janet Trapp, Jeff & Connie Kimball, Hibber, Chris "Nesco Queen" & Clint Habich, Todd & Angie Habermann, Spanky & Carol Beyer, Vicki & Mike Brown, Dan & Lori Burback, Bill Ladwig, Ken Seidl, Frank Even, Franz Schmidt, Ed Marino, Dave & Linda Pom, Dave Polzin, Randy & Patty Kison, Austin Kison, Denny & Kathy Kison, Tony Lore & Sandy Keller, Mike Mueller, Steve Paulus, Chris & Mary Bumpke, Mark & Lisa Helm, Gary Mayworm, Steve & Terry Proefrock, Rick & Kim Dickmann, Dave & Coleen Helm, Jeff Crawford, Kaitlyn Crawford, Steve Kalsow and Mary Heck, Tim & Deanna Einwalter, Lon & Ruth Heller, Dennis Guttman, Jeff Kaul & Marlene Kasten, Andy Malsom, Michael Day, Lynn Simonis, Cal Cummings, Mary Rose, Mike Schonfelder, Kurt & Janet Kleinert, Kevin & Diane Kennedy, Bob Denow, Sandy & Vicki Weber, George Menos, and Matt Geszvain.

And finally, we would especially like to thank those individuals who worked extra hours, took day(s) off of work, and those who went above and beyond to lend us a hand. You know who you are, so here is one more "Thank you" from all of us.

If I have forgotten to thank anyone, please accept my apologies in advance. I am going off the sign in sheets and early edition of the schedule plus a little from memory. Thanks again to everyone for their help in making the 2010 county fair another big success!!!

LOST & FOUND

We have found three umbrellas and one blue t-shirt at the fair this summer. Currently, Chris Habich is storing them until they are claimed. She'll probably bring them to the Club meetings this fall; stop in and claim them if they are yours.

EXTRA FAIR T-SHIRTS

We have approximately thirty (30) extra fair t-shirts that we will bring with us to the Club meetings until they are gone. For a \$10 donation to our Club, you can get an extra t-shirt for a family member, friend or yourself. Sizes are limited and once they are gone, you'll have to wait till next summer's fair.

CLUB MEMBER PACKER PARTY

We will be celebrating another success year of snowmobiling as well as our annual fund raiser at the Ozaukee County Fair by having a party on Sunday, October 17, to thank everyone for their help making our club a successful club. The party will coincide with the Packers vs. Dolphins (Vikings didn't want to get embarrassed again) game and it will be at Edgewater Golf club (same place as last three years). Doors will open at 11:30 am and kick-off is at noon. Hors d'oeuvres will be available during the game and we will have a meal following the game. See the enclosed flyer for more details.

CULTIPACKER NEEDED

We have gotten a few leads on another cultipacker, yet at the time this newsletter goes to print, unfortunately, I don't know the status. Stop in at the September's Club meeting to find out more on this issue.

Yet if you do come across one that would fit our needs, please give Randy (262-707-9328) or Bob (262-707-5282) a call with the information.

NEXT SEASON SNO-FARIS

Right now, we are looking at another Sno-Fair to Gwynn Michigan. It was a blast last year and we're looking to have another repeat this season. So I figure that it will be well worth going up there again this February. Watch this newsletter or your email for updates.

Also, I've been thinking about and talking to others regarding the St. Germain Sno-Fari. From my research, it seems that earlier in January is better than the hit and miss later in the month or even early February. So early January may be the ticket; doesn't hurt to try since it is an awesome area for snowmobiling and you are able to leave the area in one of five directions (and return from another direction). Watch this newsletter for dates on this Sno-Fari.

TRAIL WORK

Please block these dates on your calendar for this fall for brushing and installing trails (7:30am to Noonish):

October 16 October 23 October 30
November 6 November 13 December 4

The more volunteers, the quicker we get our trails ready for snow. See you there....

FOR SALE - WANTED

The Cedarburg Fire Department is looking for a four-place trailer for storage use at the fair park. Doesn't have to be road worthy; same goes for the deck. If you know of one, please give Kathy Jones a call at 262-828-9400.
