APRIL SNOW SHOWERS BRING?

Holy Smokes Batman! It snowed last night! That is what I saw when we took our dogs out first thing last week Wednesday; we could have used that snow about six weeks prior, yet this is Wisconsin. Plus it is fitting that it snowed as we are attempting to remove our trails. Now we need to hold off until the snow melts which sounds like an oxymoron. Never thought we as a snowmobile club would need to wait for the snow to melt.

Anyway, our last Club meeting of our season is on Thursday, April 12 where we will elect three (3) members to our Board of Directors. We would love to have an actual ballot to use for voting which means we would need four (4) to choose from. Stop in and help us elect three Board members.

And remember to mark your calendars for our annual fund raiser at the Ozaukee County Fair this summer. It runs Wednesday, August 1st thru Sunday, August 5th. For those new to our Club, we have a food and beverage tent plus we have live local bands Wednesday thru Saturday evenings. It is a blast to volunteer at and we all enjoy the camaraderie. So if we don't see you in April, we look forward to seeing you at the Fair!!

Okay, time to stop typing and let our printer have this to make copies for mailing it out. So until next time, keep your track off the ground or bed of your trailer and connect the trickle charger to your battery!

THANK YOUs

Goes out to our guest speaker Tony Young, Ozaukee County DNR Agent. Tony stopped by this past March and discussed with us the highs and lows of being a DNR warden: highs consisted of his enjoyment with his job and the equipment he gets to use on a daily basis, like the boats, snowmobile, kayaks, etc. The lows unfortunately include accidents (snowmobile or boating or hunting), problems and issues. The worst is dealing with an accident where someone has died due to hunting, boating or snowmobiling.

From the manner in which Tony carries himself, he is very approachable and willing to discuss issues that we come across. If he doesn't know, he will state that and then find out the answer or where to direct you. Thanks again, Tony, for spending time with us at our Club Meeting this past March.

Also, thank yous go out to those members bring desserts at March's Club meeting; I'm drawing a blank on who did, otherwise I would list you here. If anyone would like to bring a side dish or dessert for April, please give Chris Habich a call. Thanks again for your generosity.

TRAIL REMOVAL

Has been started and our markers from Wausaukee Road north to that big water hole on the north side of Western have been pulled and then from Circle B west to the winter wheat field. Not to bad for two days of trail removal.

There is more to do and given the weather cooperates, and we are planning on

getting the rest on or before Saturday, April 14 as we need to have all our markers out by April 15. If you are able to go out and remove trails, please keep in mind we need our trails to be in as good if not better shape than when we put the trails in. So check the area of our trail for any foreign material and remove it as you pull out our stakes. This helps protect our landowner's machinery and/or livestock. More on this at April's Club Meeting.

Thanks in advance for your help!

NOMINATIONS & ELECTIONS

At March's Club meeting, we received four (4) nominations for three (3) Board of Directors positions as Chris Habich, Tim Einwalter and Dan Burbach have their terms expiring on August 31. Out of those four (4), three (3) were accepted with one on the fence. So at April's Club meeting, we will open up the floor for any additional nominations and then vote for no more than three (3). We would like to use ballots and if we have more than three (3), we will do so. Stop in at our Club meeting in April and help us vote!!

COUNTY FAIR

Will be here quicker than you think. Currently, our fair committee is busy working on lining up three or four bands for Wednesday thru Saturday entertainment as well as getting band sponsors to help us cover the cost. And we are sending in our deposit this week to reserve our regular spot on the very north end of the fair grounds. Next will be getting volunteers signed up to work at our tent; we will have the sign up sheet at April's Club meeting.

With this being our only fund raiser, we need as many volunteers as possible; we do get additional help from the Snow Drifters and Snow Seekers as we groom their trails in return, yet we need as many volunteers from our Club as well to help make our food and beer tent profitable. So mark the following dates on your calendar to help us out at our annual fund raiser; dates are as follows:

Monday, July 30 th	Set-up Cookshak & Bar
Tuesday, July 31 st	Finishing touches on set-up
Wednesday, August 1 st	Fair opens!!
Sunday, August 5 th	Teardown bar around 7:00pm
Monday, August 6 th	Teardown and cleaning Cookshak 5:30pm

Thanks in advance for volunteering at our beer and food tent!
