## JOINING OUR CLUB!

Well, November is here and summer is fading in our memories as fall colors and temperatures remind us what time of year is in front of us. And this also means that our new season for snowmobiling is under way. With that in mind, we are working to set up guest speakers at our Club meetings and this would include the Pink Ribbon Riders, technical talk from our sponsoring dealership, AWSC talk with Wally Thill and a few other possibilities. We will announce them as dates are set.

This past summer as well as previous summers at our tent at the County Fair, I have noticed that we had kids of our members as well as the other two clubs, help us out. This is great to see yet keeping them interested in snowmobiling is an uphill battle at this time in their lives due to school or being out on their own. And this has been something that has been bouncing around in my mind, is how to get younger members to join our Club once they are not under their parents membership plus keep them involved. I know as a youth, you are experiencing life and possibly going in a different direction than those around you.

Snowmobiling may be on one of them, yet is that the path our youth are taking? For me as a youth, my parents had to be members (they didn't snowmobile then and still don't today) until I turned 18 and then I became a member and became active in trails at the start. (Yes, I may be the exception as I'm still active and my youth was years ago.) I know we do have our youth helping out at our food and beer tent and this is a great start! We just need to keep them involved to keep their interest up. So if you have any suggestions on how to get our youth involved and staying involved, please let us know.

Once again, I'm out of room, so I'll step down off of my soap box and move on to other Club information. So until next month, start up your sled and check out your carbides! Winter is coming up next!!

## LANDOWNERS

If you were a landowner for us last season, you will find in this newsletter, a \$20 gift card to use at any Pick 'N Save food stores. This is just a little something from our Club to say "thank you" for allowing us to cross your land last season. I know I say it every fall and I'll say it again, if it wasn't for you, our landowner, we would not have the trail system we have here in Ozaukee and Washington Counties. You are very important to us and we appreciate you working with us. Last yet not least, please keep in mind that if anything comes up or changes, feel free to contact us so we can address the change or issue. Thanks again for the use of your land!

## CLUB-PACKER PARTY

Was held on Halloween weekend at the Edgewater Golf Course. There were roughly 53 people in attendance and we all enjoyed a great start to the game! There were light appetizers set out during the first half which lead up to a sweet spread for dinner at half-time of pulled BBQ pork and chicken breasts. Man, you couldn't have a better set up than this; only thing to top this was our Pack

beating the Rams. Our team came close, yet couldn't pull it off. Regardless of that, we did have more than a handful of winners at our party: Mark Helm won the fishbowl raffle, Brad Largin, Mike Brown, Dennis "Bubbles" Guttman, John Trummer, Ruth Heller, Lee Roller, Kitty Henning, Paul Mueller, Jim Henning, Lynn Simonis, Chris Bumpke and Dan Burbach all won a portion of the football pools. Congratulations and thanks to all for joining us for the Club - Packer Party!

## MEMBERSHIP

We do need you to fill out an application regardless if you are renewing or are a new member. Please drop off your dues and applications at our November Club meeting or mail them to the address found at the bottom of your application. This will also help get our info up to date with the AWSC so you are able to purchase your trail passes before the snow flies! The form to obtain your trail passes are on the website listed below. If you have any questions on this, feel free to call myself or Deanna Einwalter or go to the AWSC.org website: <https://awsc.org/Trail-Pass-Registration>  
Thanks for your support of our Club and our sport!!

## TRAIL WORK

We have started to brush and mark our trails this fall; so far we have had two (2) Saturdays and we have two (2) more to go (November 3<sup>rd</sup> and 10<sup>th</sup>) before deer hunting takes over. Then we will pick back up on December 1<sup>st</sup> in order to get ready for snow! Unfortunately, we have had so much rain in late summer and early fall that we have been running into standing water more than we have seen in a number of years. So for the next couple of Saturdays, please bring your knee boots as it is a little wet out there. As usual, we meet at the Kison Farm at 7:30am and work until noon. We need your help, so please mark your calendars accordingly.

One area we are watching carefully as well as discussing with the Town of Cedarburg, is the former Hurias farm where athletic fields are being installed south of Highway 60 and east of Horns Corners Road. We are working to obtain a route through that development, yet the dust hasn't settled as of yet. More on this as it transpires.

## SNO-FARI

Bob Vanderloop has volunteered to head up our Sno-Fari this season and has come up with two ideas. First one is start in Hayward and take a short trip to Ashland and Bayfield; day two would be to head over to the Mississippi and then Superior; day three would head up to Gogebic and Lake of the Clouds; this leaves day four to return home. Second idea was to start in St. Ignace and head to Mackinac Island over the ice bridge (don't laugh too hard); day two would be a Great Lakes tour, leaving St. Ignace and head north along Lake Huron then over on west side of Lake Superior then head south along Lake Michigan back to St. Ignace; day three would be to trailer over Mackinac bridge and ride in lower UP then head home on Sunday. Bob loves to dream, and if you want to be part of his dreams, give him a call. We do have three Club members interested already in one of these trips. Dates will be set soon as calendars are compared.

*(Ed note: I'm exhausted just thinking of Bob's dreams!!)*

## HALL OF FAME

In Eagle River is looking to put together a rotating display that includes local Wisconsin snowmobile clubs and Wally Thill has asked us for memorabilia for this exhibit. Right now, we have one of our old Club patches, an old red Monticello jacket plus cardboard Monticello shield prototype courtesy of Deanna Hoffmann (Mike Hoffmann's daughter), and a patch from the old Cedar Creek Snowmobile Club. If you have something else from the early days of our Club, please bring it to our November Club meeting and we'll get it to Wally at the County Meeting. He is looking forward to these donations and having it on display at the track in Eagle River.
