## MARCH IS HERE...REALLY?

As I am writing this while gazing out my office window, I'm snow blinded due to my north facing windows and the sun is out bouncing off the snow! Plus, it is still March and there is snow on the ground and our trails are open! These conditions we haven't seen in quite a while for our area, plus being this long into our season and we're still on the trail. Another note is if you think of how much we have, triple it when you head north! I've heard where grooming up north had to be first done with the Tuckers to bust thru the drifts and then come back later with the drag, otherwise they would get stuck. I've seen a video on Facebook showing a snowmobiler riding off trail and then poof, all you see is their helmet! Hope they ate their wheaties, cause they'll be digging for a while.

Well, more below as March is here and you never know what is in store for us, yet I don't have that much room nor time to write it all. So until next month, let's keep our sleds warmed up as our trails are still ready!! Winter is still here and so is the snow.

## 50 YEARS!!

We need to thank Wally Thill for stopping by February's Club meeting not only as our guest, yet mainly to thank him for his dedicated service of over 50 years to our sport and the AWSC. We did surprise him that evening with a plaque and a cake. Funny this was, Wally was speechless!! This is a rarity and we pulled it off! Here is a picture of Wally with his plaque plus a few of our Board members. Thanks Wally for your dedication and service to our sport of snowmobiling!!

## THANK YOUs

We'd like to thank Drew Nelson for grilling up the brats we purchased from Blau's Saukville Meats for our February Club meeting. Also, thanks to Katie Bublitz, Dennis Guttmann, Jim Henning, Mary Ann Thill and Bob & Julie Vanderloop for bringing sides or dessert! Thanks to all for their help keeping us fed!

## FOOD FOR MARCH

For March's Club meeting, we will have hamburgers grilled by Drew. We will still need side dishes as well as a dessert(s); if you are able to bring something, please call Chris or email her on or before Tuesday, March 12. Thanks!

## TRAILS

We have been getting rave reports on how well our trails have been maintained throughout our season with many coming from our members as well as snowmobilers fueling up at Kwik Trip. Hats off to our groomer operators for all their efforts to keep our trails up to par; thanks, guys!!

## WINTERFEST - GOLF OUTING

Once again, we have entered our Tucker and drag in Cedarburg's Winterfest Parade. Bob "Looper" Vanderloop and Peewee drove it down to the parade, through the parade and then back to the farm. This year it was fitting as it was cold and there was snow on the ground.

Due to the snow depth in the City of Cedarburg and considering how many snowblowers would be needed for this task, we were asked by the Cedarburg Lions Club to groom their fairways for their "Golf Outing" in Behling Field, the park across the street and up the hill to the American Legion. Peewee volunteered to groom and he got this done on Friday afternoon with the help of Eric Siudac, president of the Cedarburg Lions Club, watching for obstructions above and along side our Tucker and drag. This was a hit with the golfers and since the fairways had a chance to set up over night, come Saturday morning, the fairways were in tip top shape. Pretty cool for us to be able to help out a fellow local non-profit organization, especially because snow is our game!! Eric took some pictures and shared them with us; check them out on our website! Thanks, Peewee, for taking on this task!

## OUR TUCKER

At our Club meeting this month, we will be discussing our Tucker and do we invest in two (2) new tracks or should we be looking to upgrade. This is an issue we need input on from our membership as both options are expensive. Stop in and help us weigh out our options!

## UPCOMING DATES:

### March:

Monday, March 11 Ozaukee Association Meeting  
7:00pm RR Station Saukville  
Thursday, March 14 Board & Club Meeting @  
Circle B

## TRAIL CONDITIONS

Before heading out to ride our trails, please call the phone number(s) below for the area you plan to ride. This ensures that you know what is open and if there are any hazards. Also, store these numbers in your cell phone so you will have them each season.

Remember, we need at least 8" of snow on the open fields as well as 32 degrees or colder for us or any county to open their snowmobile trails.

Ozaukee County 262-284-8259

Washington County 262-334-6061

Dodge County 920-386-3705

Fond du Lac County 920-929-6840

Sheboygan County [www.nkmsnow.com](http://www.nkmsnow.com)

*(Ed note: Sheboygan County Sno-Phone is disconnected; go to the above website to sign up for their text messages as well as emails on trail conditions)*
