WELCOME TO SPRING

Spring is sprung and so far it has been fairly dry, considering how much snow we received this winter. We were very fortunate to have an awesome winter (yes, we would have liked the initial snow from November to have stayed thru March, yet this is Wisconsin and nothing is predictable). And we put on over 100 hours grooming on our Tucker, which is very sweet as our trails are all funded! Plus, our trail system has received many compliments as the flattest trails in the state; pretty sweet accolades considering our location in the state and how little snow we get each season. We made the best of it and groomed very often, if not daily! That is our secret, so make sure to tell everyone!

Now if we were to poll our members, I'll bet a majority of them put on as many miles down here as they did up north since our trails were open for 31 days straight or 31 days total. I can't remember which way it was presented, yet thirty-one sticks in my head; go figure!

Even though the snow is gone, we still have plenty of activity going on as April has just arrived. Keep reading to get an idea of what is in store for us, yet I don't have that much room nor time to write it all. So until our next newsletter, let's clean up our sleds and tuck them in a nice covered cool location until next season!!

THANK YOUs

Go out to the following for helping feed us last month: thanks to Drew Nelson for cooking the burgers, Jim Henning, Bob & Julie Vanderloop, Patty Kison, Kent, Katie Bublitz and our Club providing the side dishes and deserts. Once again our volunteers have helped keep us fed and well nourished! Thanks again to all for your help!

EQUIPMENT

Our Tucker has made it through the season with two pre-owned tracks; quick recall, we tore one of our tracks on the Tucker in February and got two "take offs" at no cost to get us thru the remainder of our season. So it was decided at our last Club meeting to have a crew go thru all four carriers (sprockets, tracks, bearings on each corner) on our Tucker to see how everything is wearing. Once they have completed their inspection, we will have an idea what is needed and will get our Tucker back up to par and ready for next season! More at our Club meeting or else in May/June newsletter.

PANCAKE BREAKFAST

The Jackson Moonlighters are having their annual pancake breakfast at the Hub on Sunday, April 7th starting at 8:00am. This is their one and only fund raiser and due to our awesome winter, their Tucker was severely damaged while in operation and will need extensive as well as expensive repairs. Please help them out by attending their pancake breakfast to support their Club and snowmobiling.

TRAILS

Are being removed as this newsletter is being written. By the time the first weekend in April hits, at most we will only have from Granville Road east to Circle B, Western Road to the "T" at Jimmy Pipkorn's and the Jailhouse to the Hub to remove. Not too bad for early April. We are planning on Saturday, April 6th (and April 13th if needed) to finish up trail removal. Watch your email and/or texts to see what is being planned.

When you do go out and pull trails, please keep an eye open for any debris like broken stakes (get all pieces), signs, trash and/or snowmobile parts. This is especially needed in the farm fields as any item left there will pose an issue for our landowners. Thank you in advance for your help.

Below is a shot of trail removal on Wednesday, April 3, by a young retired Club member. Blue skies and cool temps make for an ideal day to pull markers. Plus, we are considering purchasing a UTV for this purpose, yet we need to repair our Tucker first.

Dennis Guttman is on the job!!

ELECTIONS

Each spring, we hold nominations in March and then vote in April for three (3) Board of Directors positions. Right now, Board Members Patty Kison, Mike Brown and Peewee Fischer have their terms up on August 31, 2019. So this past month, we opened nominations and Patty Kison, Jake Bublitz, Mike Brown, and Peewee Fischer were nominated and accepted. Stop in at April's Club meeting and help us vote for three of the nominations!

COUNTY FAIR

Will only be 120 days away when we hold our Board and Club meetings on Thursday, April 11th. We have bands signed up to play on all five (5) days (they are listed below) and now the work begins to get funds to cover them. Also, we have already started working on the fair schedule as we always need as many volunteers as possible for us to make our one and only fund raiser a success! See below for the dates of the Fair.

Stop in at April's Club meeting and see Chris Habich to sign up to work at our food and beer tent at the fair.

UPCOMING DATES:

April:

Saturday, April 6	Trail Removal
Monday, April 8	Ozaukee Association Meeting 7:00pm RR Station Saukville
Thursday, April 11	Board & Club Meeting @ Circle B
