READY FOR A NEW SEASON

We just had our August Board meeting on the first Tuesday of September. Yes, it was September and the last week or two of August didn't work for all of our Board members. The purpose of this meeting was to review the financials from our annual fund raiser at this past Ozaukee County Fair. These numbers looked really good as we made a real good profit this year (more detail at our September's Club meeting). Considering the tracks and related parts needed to repair our Tucker, our profits covered a majority of that cost, which is the reason for our annual fund raiser. Not bad for a five (5) day fund raiser; plus we did well at Wayne's Drive-In for a single day fun raiser! We will do both again next summer.

Plus, at September's Club meeting, we will be selling our leftover beverages from the fair. We always end up with extras (our beer vendors only allow us to return complete cases and these items were broken cases), so bring some cash as we will have these items setting out for you to purchase. The sale of this extra items will help increase the profits from the fair!

Just a quick "Thank You" to all our fair volunteers, especially Chris Habich for putting all this together again this summer. We all worked hard and our profit shows it. Thanks again to all for your help!

Also, we ended one era and started another this August. Mike Brown has ended his tenure on our Board of Directors after a 15 year run. Mike joined our Board back in 2004 and has served us as secretary since that time. Mike still plans to join us at our Club meetings throughout the season. Thanks again Mike for your service to our Club as a Board member and secretary!

A quick update, our own Wally Thill will be inducted into the International Snowmobile Hall of Fame on Saturday, September 21 in Eagle River. I heard tickets are still available! Congratulations again Wally on this honor!

For now I'm out of time and space, so we will see you down the trail a pace!

FAIR REPORT *Submitted by Chris "Nesco Queen" Habich*

We want to thank all our volunteers and a "Special Thank You" to all of you that put in countless hours as well as took vacations from your day jobs to work at the fair. We also want to thank the Sno-Drifters, Sno-Seekers, family, friends and all others for your help at our annual fund raiser! Our success is our customers and you! That's right, you! It takes a lot of volunteers to make our tent rock and that is what keeps people coming back. This also goes out to our groomer guys and trail workers - its all about you as a volunteer that keeps our Club successful.

We also want to thank all our Club supporter, left over meat buyers and all our members for supporting our tent in your off time. We had great weather, food and music, and least we forget, cold adult beverages!

For you who may not have been able to put in many hours at the fair this year, we are hoping to see more of you throughout our season as well as next

summer's fair. Please note on your calendar, the dates for next summer's fair will fall on July 29 thru August 2, 2020.

ROASTING CORN

We would like to thank John Henning for volunteering to steam corn on the cob as well as provide all the equipment, supplies and time needed to do this activity. Considering the cost of each ear, when we sold one ear, we covered the cost of a dozen ears. This was just a trial run for us at the fair, and with it being a success, we will definitely do this again at next summer's fair. Thanks again to John for helping us get this rolling this past fair!!

WAYNE'S FUN-RAISER

Monday August 12th our club participated in the Wayne's FUNdraiser. It was an ALL DAY event with Wayne's Drive-In donating 10% of sales to our club. They offered DJ music, a bounce house, bags and hula hoops from 4:30-7:30pm. Also, during that time our club sold tickets for raffles and a 50/50 raffle. We raised \$300 from the 50/50 raffle with Heather Brandt holding the winning ticket and received \$150, yet she chose to donate it back to our Club. We drew another ticket and that winner was Dennis Guttmann. He also donated it back to the club and asked that the money be used for our groomer repairs. Overall, our Club took in 100% of the 50/50 raffle. A big THANK YOU goes out to Heather and Dennis for their generosity! And our food raffle winners were Laura & Drew Nelson and Andy Lyneis. Congratulations to ALL!! Thanks to all who stopped out to support our Club. We received \$425.00 from Wayne's; it was a fun social event which we made \$725 and we'll plan to do again next summer.

ELECTIONS

At our August Board meeting, two officer terms were up and we held elections to fill those two positions. To fill the secretary position, we elected Bob Vanderloop to a two year term (he was recommended by both Randy and Wally due to his work as secretary with the Ozaukee County Association of Snowmobile Clubs). For president, now don't jump ahead of this writing, we re-elected Dan Burbach to this two-year position. Thank you both for volunteering to fill these positions!

MEMBERSHIP & AWSC

Starting this past summer, all AWSC memberships expired on June 30. Previously, each AWSC membership expired one year from date of renewal

which if you think about it, could cause an issue. This new expiration date was implemented by the AWSC because one or two snowmobile clubs in our state took advantage of these renewal dates and were able to skip paying AWSC dues every other year. If there is a loophole, someone will find it. Due to this, we need you to renew your membership with our Club first, then we renew your AWSC membership and then you'll be able to get your discounted trail passes. Our procedure is to turn all renewals in to the AWSC within two working days of our Club meetings or when we receive at least two renewals (this is the minimum required by the AWSC).

OUR GOAL IS TO HAVE OUR ENTIRE CLUB RENEWED BY OCTOBER; this will allow us to submit our entire Club's membership to the AWSC for renewal early in the season. Once the renewals are processed, you will be able to purchase our trail pass(es). So help us obtain our goal by filling out the enclosed application and send it to the address on the bottom or drop it off at September's Club Meeting. We will have additional applications at each Club meeting if needed. Thanks in advance for your help renewing early!

TRAIL WORK DATES

Please mark these on your calendars for getting our trails in shape this fall; we have a sinking feeling we may need to cut up a lot of dead fall due to the weather this past spring and summer, so we will need as much help as possible:

Saturday, October 12
Saturday, October 19
Saturday, October 26
Saturday, November 2
Saturday, November 9
Saturday, November 16

PACKER PARTY

Save the DATE!! We are planning a Packer Party for Sunday, November 3rd at Edgewater in Grafton. Watch October's newsletter for more details!!
