CONGRATULATIONS WALLY!

Last month on Saturday, September 21, Bob Vanderloop and I met up at the Eagle Waters Resort in Eagle River to be there to witness Wally Thill being inducted into the International Snowmobile Hall of Fame. That is one heck of an award considering how humble Wally is and always will be. The award Wally received was "Volunteer 2019"; this award is given out to a deserving volunteer going above and beyond for our sport since the beginning. Wally has done that and a ton more, especially being involved with the AWSC within two weeks of the initial start up plan. And all that has gone into making the AWSC what it is today and helping steer it down the trail best suited for all of us snowmobilers!

That evening before the ceremony, Bob and I found out from Mary Ann that all three of their children and eight out of nine grandchildren made it up to help share as well as support Wally was even more amazing. Plus Casey and Angie Frey from the Snow Runners (Port-Belgium Club) were also there to support Wally. If you have been keeping track, there were nineteen (19) there to support Wally, which was roughly 2-1/2 out of fifteen (15) tables. That is one heck of a support group and then Wally had us all stand up during his acceptance speech to show us off at the banquet! What a night!

This was taken following the awards and if you have time to visit the International Snowmobile Hall of Fame, you will see that exact picture of Wally hanging up on their wall.

THANK YOU - CLUB MEMBER PACKER PARTY

We are having our annual "Thank You" party on Sunday, November 3, 2019 to honor all of our volunteers for their hard work all season long. Plus, we are looking to cheer on our Pack to win against the Chargers as well. Couldn't ask for a better combination! Please see the enclosed flyer for additional details on this party as well as RSVP as we need a head count for the food!

LANDOWNERS & TRAILS

Starting soon, we will be contacting you, our landowner, for permission to cross your land this season. Let us know if anything has changed on your land or is there were any issues last season that we need to address. We value you as a landowner and appreciate your willingness to allow us to cross your land each season. Also, we thank you for permission you grant us which allows us to keep our trails intact throughout Ozaukee County and Washington County.

Along these lines, we will be starting trail work starting Saturday, October 12th and we will work from 7:30am to noon each Saturday thru November 16th as the following weekend is opening day for deer hunting. We look forward to getting our trails cleaned up and marked before the snow flies!!

Please mark your calendar for the following dates:

Saturday, October 12	Saturday, October 19
Saturday, October 26	Saturday, November 2
Saturday, November 9	Saturday, November 16

One last item regarding trails, there is a Holiday Gun Deer Hunt that will run from December 24 thru January 1, 2020 in our area. We are looking into this and will work with our trails and our landowners as to how to handle opening our trails during this time period.

MEMBERSHIP & AWSC

We are now heading into October and have already received quite a number of membership renewals. With that in mind, we have renewed those with the AWSC and are looking to get the rest of our members to renew by our October Club meeting. We will be renewing our landowners as well before the end of October. We are reviewing our landowner list first and then we will submit it.

Please remember, you must renew your Club membership before we are able to renew your AWSC membership. You cannot get your discounted trail pass without following these two steps in that exact order.

OUR GOAL IS TO HAVE OUR ENTIRE CLUB RENEWED BY THE END OF OCTOBER!!

This will be one heck of a feat to get our entire Club to renew their membership by the End Of October!! It would definitely make it easier on our membership committee and also, easier to follow up on those who haven't renewed. So help us obtain our goal by filling out the enclosed application and send it to the address on the bottom or drop it off at October's Club Meeting.

We will have additional applications at each Club meeting if needed. Thanks in advance for your help renewing early!
