MY RAMBLINGS

NO APRIL CLUB MEETING! Is one heck of a way to start an article, as the current health situation is causing a lot of events to be postponed. As of right now, all is still on for our main fund raiser in late summer. So we, as your Board of Directors, are still planning on it as well as staffing it with our volunteers, the Sno-Drifters and Sno-Seekers volunteers, bands and volunteers plus additional friends/family.

I guess what really bites is the social aspect of life and our Club that we all enjoy has been put on hold for a spell. As it gets warmer outside, that will allow us a little more freedom! Plus, if you are up for pulling trails, this will help with your cabin fever!!

As our season wraps up and most of us are cooped up, plan on a possible May Club meeting as we need to vote for no more than three (3) members to be on our Board. We have at least five (5) on the ballot, and we will re-open nominations before we place a vote. Just so you know, these positions take effect on September 1st, yet the three (3) that we vote in are able to join our Board meetings before the official date.

So until next month, remember to store your sled and keep the track off of the ground! Be safe out there and remember to keep the rubber side down!!

WINTERFEST PARADE

As the picture shows to the right, the gals caught Frank Even volunteering as part of the Auxiliary Government at the Parade for Winterfest. I ran out of room last month to put this in, so here it is! Keep up the great work Frank!

CLUB MEETING

Can't believe it is cancelled, so we need to move our meeting to May as we need to hold elections. We will plan on the second Thursday in May, which is May 14th. Watch our website and/or Facebook as well as May's newsletter so we all stay informed all of our meeting time and date!

BOARD MEETING

We will hold an April Board meeting either via conference call or possibly using the website called Zoom. I have been fortunate to be called into a zoom meeting and it is cool. More details as Thursday, April 9th gets closer.

Frank Even volunteering at Winterfest Parade

TRAIL REMOVAL

As our weather has gotten better, yet still a little soggy, we are good to go to pull trails. I have thought about the “stay home” deal, yet since we cross farm land and farmers are considered essential and need to work, then we are considered essential due to our obligation to pull trails before our landowners start to use their land. So keep the group to three (3) members and keep your distance in order to comply with the health warnings and guidelines. Plus enjoy being outside!!

TRAIL SIGN INVENTORY

As many of you saw in the email blast that went out last weekend, we need your help taking inventory of how many of each sign goes into marking our trails. This is a one-time task that we need to do this spring. Dennis Guttman has divided our trails into 23 sections and has 23 sheets labeled for each section in a black folder marked “TRAIL AREA SHEETS” in the sign shed at the Kison Farm.

Just to re-iterate our procedure, here it is:

- Each sheet shows pictures of the signs used, count each sign as you remove it, put hash marks to record the quantity of each: IIII = four (4), then put slash \ thru for five (5).

- When that section is complete, put that completed sheet into the green folder “COMPLETED TRAIL AREA OUT SHEETS”.

- If you don't complete a section, put a note on the bottom stating “Not complete from tree line to road due to water” or “Not complete past tree line” and then put sheet back into black folder. Moving forward, this will aid us each fall when we are installing trails as you will know how many of each sign to take with you instead of our educated guesses.

This will be interesting to see how many signs we actually use to mark our entire trail system. We know there are a ton of stakes, yet what is the actual count? So if all trail removal is done using our inventory sheets, we should have a very good count!

Thank you in advance for your help with our inventory project!

ELECTIONS

At May's Club meeting, we will need to vote for no more than three (3) of the five (5) members nominated at our March Club meeting. Right now, the three (3) existing Board members up for re-election have been re-nominated and they are Cal Cummings, Matt Geszvain and Deanna Einwalter. We also have two (2) additional Club members nominated and they are Katie Bublitz and Paul Mueller. Help us vote for three (3) members to fill our Board of Directors at our May's Club meeting. See you there!

CALLING ALL FAIR COOKS

We are looking to get all of our cooks together and May's Club meeting looks like the time. The need to have all of us on the same page when grilling and soaking our burgers is beneficial to keeping our customers happy. I know myself that I have heard at least four (4) different ways to keep the burgers juicy and fresh, yet our experience and customer response/complaints state we need to be more consistent. Help us get to this stage so we are able to continue to be voted “Best Burger at the Fair!”.

UPCOMING DATES FOR THIS SEASON:

April 2020

Club & Board Meeting	Cancelled
Ozaukee Cty Assoc.	Cancelled

May 2020

Club & Board Meeting	Thursday, May 14
----------------------	------------------
