## MY RAMBLINGS

Welcome to Wisconsin's spring in the fall! With this warm and dry spell, we've been able to get trails brushed and marked, especially in the wet areas! Those areas took less time due to us just flying thru and not spending time digging out when our brusher locks in her heels!! We are planning on covering more ground this Saturday as the weather will be nice and dry!

As of right now, there are a lot of uncertainty in our country as ballots are still being counted, yet we will continue to hold our Club and Board meetings while pushing forward with our season. This is our sport and we will do our best to keep it alive as well as the businesses that support us along our trails throughout Wisconsin. Our state has the most miles of trails as well as the number of registered snowmobiles.

Our AWSC catch phrase "United we Trail, Divided we Fail!" rings more true now as it ever has! Let's do our best to enjoy our season ahead as snow will be here before we know it!

So until next month, let's get out and enjoy the outdoors while brushing and marking trails!

## THANK YOUs

We need to thank a couple of people from October. First off, we would like to thank Eric Graves for picking up our tab at Circle B for the pizzas we enjoyed at our Club meeting. Thanks Eric for your generosity and support of our Club!!

Next, we would like to thank Julie Newhauser for setting up a raffle for our members at our Club meeting as well as our guest speaker. Congratulations to Jeff Publitz for winning the \$200 gift certificate to Cedar Creek Motor Sports!

Our guest speaker was Mark Mueller (no relation to Mike or Paul Mueller, yet all three (3) aren't related either), the district retail representative for Polaris Industries, Inc. Mark covered the latest sleds from Polaris as well as the 850 Patriot motor lead to the development of the 650 Patriot motor, plus the 7" touch screen included on most sleds. With four (4) areas of recreation vehicles, R&D is easily justified and they are able to spend more on these improvements. Now that Mark resides in Cedarburg, he is looking to get back into snowmobiling as well as enjoying what our area has to offer. Thanks Mark for stopping by and spending your Thursday evening with us!

## GUEST SPEAKERS

We do not have a guest speaker set up for November nor December's Club meeting, yet we are working on topics one of our members will cover for us. Also, we have tentatively set up Lisa Stahl of the Pink Ribbon Riders to stop by in January and Wally Thill to stop by in February. We are slowing filling up our guest speaker circuit!

## CLUB MEMBERSHIP

I know with the nice and balmy weather we have had in early November that snowmobiling and renewing your membership may not be on your mind. Yet we do ask our members renew early so we are able to update our AWSC membership list. This will allow you to get your discounted trail passes for the season now instead of later. I will be renewing my membership at our November's Club meeting, so join me and renew yours as well. You could also mail your membership dues to the address at the bottom of the application. Thanks in advance for your renewal and supporting our Club!

## FOOD at CLUB MEETINGS

Since the corona virus isn't going away anytime soon, we will continue to purchase food for our Club Meetings from Circle B. Please continue to donate at least \$2 per member to help offset our food and beverage bill to help off-set the cost of the food and beverages our Club provides at our Meetings. We have been blessed to have two members step up and cover our pizzas the last two months leaving us to just cover our beverages. Thank you in advance for helping to support us and our food and drink at our monthly Meetings!

## LANDOWNERS & OUR TRAILS

We have included a form along with a self-addressed stamped envelope for you to update your address and contact information. There is an option for you to receive our newsletter via email if you so choose. Please complete this form and return it on or before Friday, November 20<sup>th</sup> so we are able to update your information.

Also, we will be mailing out your landowner gift with December's newsletter, so this info is needed so we get your gift card to you in a timely manner. Thanks in advance for your help!

## TRAIL WORK

Each Saturday since October 12, our trail work volunteers have been chipping away at our list of brushing we need to do on our trails. With it being dry, we are attempting to get into the low and wet areas first to brush out our trails as well as mark them.

At this point, we have one (1) more Saturday before deer hunting opens, so if you are able to help out, stop out at the Kison Farm as we meet at 7:30am Saturday mornings. Keep in mind we will pick up where we left off in early December, so mark down those dates to help us out! Thank you in advance for your help!

Brushing, signing and re-routing:

**Saturday, November 14<sup>th</sup>**  
**Saturday, December 5<sup>th</sup>**  
**Saturday, December 12<sup>th</sup>**

## FOR SALE

If you have anything snowmobile related that you need to sell, please send it to me (garagemahal@charter) or call/text me and I'll post it here in our newsletter for our snowmobile community.
