MY RAMBLINGS AS WE WIND DOWN....

Brown ugly grass/ground basking in the warm sunlight is what I'm viewing from my desk. Pretty interesting as March just began yesterday on Monday and up to last week, we've had a bountiful season snowmobiling here in SE Wisconsin. Our trails in Washington County were open for a total of 30 days with a continuous open run of 28 days. For Ozaukee County, we had our trails open for 29 days with a continuous open run of 27 days as well. For this area, this was a blast and the weather really cooperated this season. Looking back over the last three (3) seasons, we have had an average of 28 days or so being open, yet not consecutively. Pretty sweet as our groomer logs shows approximately 123 hours put on our Tucker this season. Way to go groomer crew!!

Now that it is getting warmer, we now have to look at the prospect of pulling our trail markers once the ground has the frost out of it and before the torrential spring rains hit us. Check the dates later in our newsletter for trail removal. Looking forward, we need to gear up for our fund raiser at the Ozaukee County Fair. Since nothing is predicable, and with the health issues plaguing our nation and the world, we still need to plan ahead just so we are ready. Our Board will start visiting our plan for the fair for this upcoming summer!

THANKS

A hearty thanks goes out to Wally Thill for being our guest speaker at our February's Club Meeting. He informed us of the issues with trespassing with snowmobiling and that they are trying to get the word out regarding it. Wally also mentioned that the spring convention was cancelled and for our Club to vote for AWSC officers via ballot and emailing it in. Plus, we are looking for a County Representative for Ozaukee County for the AWSC. If you know anyone interested, please contact Wally Thill.

We also gave Wally his updated plaque for 50+ years of involvement with the AWSC and snowmobiling. What an achievement plus think of all snowmobiling has gone thru over the course of 50 years. Thanks again Wally for your service and dedication to our sport!

And thank you goes out to Hibber and Chris along with Subway and our Club for providing subs, chips and the fixings for our meal following our Club

Dan Burback presenting Wally Thill with his 50+ Years plaque at Feb.'s Club Mtg.

meeting! Thanks again Hibber, Chris and Subway for your continued support!!

LANDOWNERS

We ask that if you received a form with your newsletter this month, please fill it out and mail it back to us in the addressed envelope. Our efforts to get our landowner information up to date is in progress and we would like to get correct info for our files. Thank you in advance for your help with this matter.

TRAILS

Well, this season we have hit a home run with our grooming! There have been quite a few compliments on how well we have maintained our trails and keep them flat. So let's thank our groomer crew for an awesome job well done!! We did have a few issues such as a trail re-route, which was discussed over many texts and phone calls in the period of 24 hours! This isn't an easy feat, yet we got it done, got right back on our snowmobiles and kept riding! Thanks goes out to the crew making that trail reroute on that frigid Saturday morning back in February. And thanks to Ataco Steel Products on Highway 60 west of Circle B. They graciously allowed us to cross their property on short notice and this made our re-route of our trail very simple and easy.

We now need to look towards the end of March to start trail removal. Please keep in mind that when you pull trails, leave the area the same if not better than when you entered it. Thanks for your help in advance!

Trail Removal:

Saturday March 20th
Saturday March 27th
Saturday April 3rd

Above dates are subject to the weather and you are certainly welcome to head out during the week to help pull our trail markers.

NOMINATIONS

Okay, this will be attempt number two (2); last spring we had three (3) members with Board terms expiring on August 31st. Due to the major health issue our country faced, we postponed this until this spring where we now need to start over once again with nominations. Right now, the following members have their Board terms expiring: Matt Geszvain, Deanna Einwalter and Cal Cummings.

So at our March Club Meeting, we will need to nominate at least three (3) Club members for these three Board positions. At April's Club Meeting, we will vote for no more than three (3) nominated Club members. See you there!!

MEETING DATES FOR NEXT SEASON:

(subject to change)

March 2021
