## THOUGHTS FROM OUR NESCO QUEEN

First of all, we want to thank all volunteers! There is still help needed so in case you didn't get to sign up, you still have time to jump in where help is needed. Please call Chris to sign up.

For starters, if you are not feeling well, please do not come to work yet give Chris a call to inform us. We are not required to wear masks, yet if you feel you need to or want to, feel free to do so as we will have masks available.

Second, all bartenders, please check ID's unless the individual looks at least thirty (30) years old. They need to be at least 21 to legally consume alcohol, so they need to be born on or before today's date, 2000. Also, please arrive fifteen (15) minutes before your shift to get any and all fair updates. See the licensed bartender on duty for this information.

For all our volunteers, please remember to sign in and out when working; the clipboard with the sign in/sign out sheet is hanging on the side of our main counter. If you have any questions regarding anything, especially placing food orders, please ask; most confusion happens when taking food orders and we want our kitchen to be happy. Make sure that your totals add up correctly; we do have calculators placed throughout the bar area for you to use. Remember, we are all volunteers and having all of us on the same page is very important and we are all here to help each other.

Couple of last items to keep in mind, for working a shift, you are welcome to have a beverage or two as well as a sandwich for your hard work. Also, bring your family to our tent to help support our Club from the other side of the bar! This is our one and only fund raiser and we appreciate all the help!

With all of your help, we are looking to have an awesome Fair after taking a year off! Thanks in advance to everyone for your help! See you at the Fair!

## CLUB MEMBERSHIP

We are including our Club membership form in this newsletter to help get our members renewed. As most of you are aware, all our our AWSC memberships expire on July 1<sup>st</sup> of each year, so the earlier we get your membership renewed, the sooner you are able to get your discounted trail pass (yes, I'm thinking of winter and snow in July!). Please bring your application and dues to our first Club meeting of the year on September 9<sup>th</sup>, 2021 held at Circle B. Thank you in advance for renewing.

## MY RAMBLING THOUGHTS...

Boy, I can't believe it is time to write our newsletter again, plus our one and only annual fund raiser is literally right around the corner. The Ozaukee County Fair officially starts on Wednesday, July 28 with set up starting the prior Saturday to help get any bugs worked out (we took a break last year). I guess time does fly when we're having fun!! *(Article continued on the back...)*

Anyway, my mind has been somewhat stuck in the wayback machine. I was thinking back to when I was just a young strapping lad of about sixteen or seventeen, my parents had to join our Club for me until I turned eighteen (rules are rules). Because they had the membership (even though I owned the snowmobiles), my parents worked the fair while I volunteered for trail work. Working the fair back then consisted of tap beer from a small two handled tapper unit (I believe Pabst was on one side with possibly Stroh's or Schlitz on the other??) and a couple of Nescos with hot dogs and polish sausages for the main meal (and of course sauerkraut and onions) along with Coke products. I'm trying to remember how big our tent was (they had vehicles under the tent at one time), yet trying to remember particular details from thirty-seven to thirty-eight years ago is a little rough (I know I getting older...). I will say this, making comparisons to then and now, their set up had to be simple compared to today. Yet considering what we have going for us now, the variety in both food and adult beverages, live music, and a large bar under our tent really help draw in our regulars as well as others to help support our Club. We have come along way from our first cook shak of snow fence surrounding our donated gas grill to a completely enclosed two-grill cook shak complete with a deep frier and two exhaust fans! And finally for this year, we are able to set up and break in our brand new bar (we really wanted to do this last summer yet were not allowed to do so) that will definitely help us add more under our tent as it is was designed and constructed by one of our own Club member Lee Roller!! Thanks Lee for your hard work!

So at this point, I will put in another plug for our annual fund raiser at the Ozaukee County Fair. Please stop down and help support your Club whether you are working or not; its been two (2) years since our last fund raiser and we appreciate all the help from both sides of the bar!!

## **FAIR SCHEDULE**

Is included with your newsletter for all Club members. Please keep in mind that this schedule is fluid and changes are being made daily. So if you volunteered to help, yet you don't see your name on the schedule, that addition may have not made the printing deadline and you still are scheduled to work on our master schedule. See you at the fair!!

## **ELECTION RESULTS**

This spring we re-elected Matt Geszvain & Cal Cummings and elected Dennis Guttmann to our Board of Directors. Plus, Peewee, one of our Board members, has taken a position as a Jackson Town Supervisor and so his spot on our Board is open.

So with his Board position opening up, and with our elections, Katie Rae Bublitz was elected to his open spot on our Board of Directors.

Thank you goes out to Deanna for her work and support on our Board as she has served on for many years!
