MY RANDOM THOUGHTS

Hello and welcome to the start of our snowmobiling season! We are starting off our fall on a really awesome note as we did very well at our annual fund raiser at this past summer's Ozaukee County Fair. Yet before we go to far, we need to send out thanks to those going above and beyond as related to our annual fund raiser. First off, a hearty thanks goes out to Chris Habich for coordinating all of our efforts to staff, set up our food and beverages, book the bands and raise donations to pay for all of our bands (oh, ya, and sliced onions)! Second, thanks again goes out to Lee Roller for building our new bar that is just awesome and worked just right! Thanks to Patty Kison for working along side with Chris to help keep things rolling. Finally, thanks goes out to all of our volunteers (friends, family and members) for their efforts! The volunteer list is very long and we want to thank all of you for your help!

Stop in at our September's Club meeting as we will give a run down of the finances relating to our food and beverage tent. Even though we didn't have our annual fund raiser in the summer of 2020, we made up for it and are looking to complete our Tucker project that we put on hold last season due to low funds. The plan is to complete work on the front end of the Tucker by going thru the carriers, replacing worn parts and installing our two (2) new tracks this fall.

Another item on our planning list is to put a party together for all of our members for their time volunteering at the fair, for trail work, grooming, county meetings, membership, newsletter, etc. You have all earned it! Stay tuned as we work on this and put all the details together.

One more item for this fall, we have awarded one of our members the "Lifetime Membership" status. This individual joins our original list of "Lifetime Members" which brings us up to six (6) lifetime members. The plan is to present this award sometime this fall as we need to work out the details.

Well, that is enough out of me for this month yet keep reading as more follows. So until next month, fuel up your ATV and chainsaws as we get ready to tackle trail work in October!

FROM OUR NESCO QUEEN

A big thank you to all of our Club's volunteers for working at our annual fund raiser at the Ozaukee County Fair. It is about working together to make our Club's only fund raiser a success once again. Your help and dedication to our annual fund raiser makes it what it is!

To all of you taking vacation to work at the fair as well as those working many many extra hours and double shifts. I can't thank you enough; without people like you, we would not be able to handle the work our food and beverage tent requires. To all the first time volunteers, thank you as you were amazing! Hope to see you again next summer at our tent once again.

Thank you goes out to Becky Martin for laundering our towels for the fair; this may not seem like much, yet this is a huge help! And thank you to all our

non-club volunteers, some of which have helped for over twenty (20) years! We couldn't ask for better Club friends.

Thank you to the members from the Sno-Drifters and Sno-Seekers for your help this past fair; some of you have helped for many years! We really appreciate your continued help! From the Sno-Seekers, thanks goes out to Bill Dickmann, Jr., Mark Schmidt, Ricky Bobby, Dave Kassens, Tim Werner, and Brandon Kassens. And from the Sno-Drifters, thanks goes out to Sandi & Karl Birkenbach, Shawn Best, Eric Oleson, Craig & Lori Hoffmann and the Pericak Family.

Once again, thanks again to all for your continued help and support! We look forward to seeing you next summer at the County Fair!!

CLUB MEMBERSHIP

We are including our Club membership form in this newsletter to help get our members renewed. As most of you are aware, all our our AWSC memberships expire on July 1st of each year, so the earlier we get your membership renewed, the sooner you are able to get your discounted trail pass (yes, I'm thinking of winter and snow in July!!). Please bring your application and dues to our first Club meeting of the year on September 9th, 2021 held at Circle B. Thank you in advance for renewing. you at the fair!!

OFFICER ELECTIONS

This past August, we held officer elections at our Board Meeting; due to the condition of our country in spring of 2020, we keep our Board Members as well as our Club Officers in their current positions until this now. So, from the Board, we have re-elected Cal Cummings to Vice President and Patty Kison as Treasurer. Congratulations to you two and keep up the great work!!
