## MY RANDOM THOUGHTS

Happy October to all as we are now another month closer to snow!! This triggers our need for brushing and getting our trail set. First off, we are contacting our landowners for their permission to cross their land again this season. As all are aware, without our landowners, we would not have the miles of snowmobile trails as we do in Ozaukee and Washington County as well as throughout our state! So as we get this all to fall into place for our trails, please remember to respect our landowner's property as well as our trails!

We are starting this month off with changes to our newsletter. Many of you may or may not be aware that I took over writing our Club's newsletter sometime during my college years, which is longer than I have held the position of president. So starting this month, our Board members (as well as Club) members, will contribute articles on a consistent basis to keep you, as Club members, informed of our activities, trail work, Sno-Faris, grooming, parties, fair schedules, meeting dates, etc. We always welcome articles from our membership as this newsletter is for our members from our members and is designed to keep all informed on a monthly basis.

At this point, I'm handing off the pen to another to cover the next topic of choice. So remember to sharpen your blade and put fresh (non-ethanol) fuel mix (or a charged up battery) in your chainsaw! See you on the trail!

## SNOWMOBILE USA SHOW

## **TRAIL WORK DATES:**

Please mark your calendars for the dates listed below as we need help to get our trails ready and rerouted before it snows! Also, opening weekend for deer hunting is Saturday, November 20th, so we need to get as much done before this weekend hits. Dates for December we may need as unusual predicaments do hit at the last minute. Thank you in advance for your help!

## **TRAILWORK CHILI DUMP**

We are trying to get more help on brushing and trail signing days (Saturdays) in October and November. But, we also want to have a little fun. So, this year, we will be having a party on Saturday October 23rd @ 1pm after we complete our trail work. The plan is to have a Chili dump, plus some other snacks, at Circle B. Bring some chili to dump in the nesco or any snack or desert, and share some snowmobile stories and hopes for the season with fellow club members. We will start trail work at the farm at 7:30am that Saturday and would love to see lots of people there to help. Come to the next club meeting or call Cal Cummings if you want more info.
