MY RANDOM THOUGHTS

As my pen hits the paper, it is Halloween and our next holiday is Thanksgiving and following that is Christmas!! This means our season is just around the corner and with that comes snow!! Can't believe we are half-way thru fall at this time. Just another reason to dig out our sleds and wash off the dust while you still have your outside water turned on.

At this point in October, our volunteer trail workers have started brushing trails and have also installed two (2) culverts along our trail system. We had two ditches that would be either be bone dry (once in a blue moon) or have water flowing thru them during our season; either way, a culvert in each would save the day. There is more trail work scheduled over the first two (2) weekends in November before deer hunting commences. We'll definitely need extra help to get our trails brushed and marked this fall, so mark your next two Saturdays for trail work!

I guess at this point I'll wrap it up until December. So for now, remember to pull out your sleds, wash and wax them up as our season is right around the corner!

TRAIL PASSES

We have had inquiries from our members on why they cannot get trail passes. That is on us; please be patient with us as we are working to change our membership person and we are working with the AWSO office to get the help to swap things around. I know many of you are looking to get your trail passes as early as possible in order to get your sled up to legal status; at this point, we should be good to go by next weekend. That is our goal and we will send out an email once all of this is set up and ready for you to go online and purchase your \$10 trail passes. Once again, we apologize for the delay in getting this set up.

Grafton Christmas Parade

Hello sledders and supporters of the sport! Christmas is right around the corner, so that means it's time to prep for the Grafton Christmas Parade which will be November 27th. Recently the club has put together two separate floats. One float consists of a brand-new RAM truck from 5 Corners DCJ&T pulling a trailer from CCMS with two brand new snowmobiles on it. We will add the snow splashes to the trailer in the staging area to complete the float. The other float consists of our quad open trailer loaded up with 8 or 9 vintage sleds turned 90 degrees from normal. This one has the Monticello banner, and we top it off with Christmas lights and a snow machine. Always a crowd favorite!

We need a few volunteers to pick up / drive / return the RAM truck and trailer. We also need people to walk along with the floats and hand out candy. Just meet us in the staging area and join in the fun. If you have any leftover Halloween candy, bring it to the November meeting or somehow get it to me. If you have vintage sleds you want to show off, or want to help, give me a call.

See you soon (on the trails!),
Bob Vanderloop

CONGRATULATIONS

Our Board of Directors nominated John Haen this past spring for a "Lifetime Membership" for his numerous hours volunteering for our Club over the years, especially helping Chris stock up at the fair (and at Pick 'N Save) as well as the signs he has repaired to help keep our trails marked. We presented this award (plaque) to John at our October Club meeting and he was humbled by our appreciation and gratitude. John has now joined the ranks of Frank Even, Dick Larson, Mel Trapp, Franz Schmidt and the late Ed Marino as a "Lifetime Member" of our Club! Congratulations again John and thanks for all your hard work!
