MY THOUGHTS by Dan Burback

Happy Summer to all!! It is finally July and our one and only fund raiser is right around the corner! Our Nesco Queen has been staying on top of the food prices as everything has been in flux. Yet as the dust is settling, our prices will be similar if not the same as last year. Even the beer pricing will be held the same even though our costs went up a little bit.

With the Ozaukee County Fair approaching, we are still working on filling in a few voids in our volunteer schedule as we do need help across the board. Right now, we need a cook on Wednesday evening/night as well as two (2) cooks Saturday night. Please review the attached schedule to see where we need extra help; we always need additional help especially during the lunch and dinner times. This year, our biggest issue is the Wisconsin State Fair runs at the same time as our Fair. This isn't the first time, yet it always adds a twist that we don't need, yet we always persevere!

Even though there isn't snow on the ground, we have been busy behind the scenes. Our Tucker has hit the paint booth this past week as Dennis has been staying on top of this progress. The goal is to have it ready for County Fair; read on for Dennis' update on it. Plus, our paperwork for last season's trailwork is now headed towards the DNR for review and payment. And as usual, we have exceeded our \$300/mile limit even without grooming last season. Thanks to all our volunteers for their help with our trails each and every year.

I've finally run out of room and am signing off until next newsletter. So, till next time, we are looking forward to seeing you at the Fair as well as another successful fund raiser!

MARK YOUR CALENDAR – OZAUKEE COUNTY FAIR – AUG 3-7

If you haven't already signed up to volunteer, it's not too late. We still need your help. So give Chris Habich a call or text or email.

We need help yet, and there is a job for everyone. Also, it's very important that you sign in and out on your shift. If you have any questions on how to do something, please ask the licensed bartender on duty.

And remember to bring you family to the tent when you're not working to help support your club. It's our only club fund raiser.

See you at the fair!

UPDATE ON THE TUCKER by Dennis Guttman

Hello club members, hope everybody is having a safe and fun summer as well as being able to navigate around the road construction projects to get to your summer activities.

Wanted to give an update on our Tucker, the Tucker was taken to Ziebell Truck Painting March 24th and we were able to get 2 new engine cover doors, Lee Ziebell has been in contact with me and advised me they gutted the interior of the Tucker as they had to cut a good portion of both rear cab corners out due to rust. We were also able to purchase 2 snow fenders that are attached to the cab doors to help with snow dust from the tracks getting on the mirrors and side window.

As of June 28th the full cab, doors and engine cover and doors have been painted. On July 12th Lee sent me pictures of the sand blasted frame, rear frame/hitch area and rear rack, pictures show that Ziebell rapped up all the tracks as well as all the track idler wheel and carriage assembly so they wouldn't get damaged during the prep and painting process. A second set of pictures showed the all of those areas painted as well as the front plow. We should have it back in time to have Bob Deenow put our new decals on, the decals will be done by July 15th.

I will try to put a photo array together to show the body work progress and somehow display with Tucker at the fair.

See you all at the fair and if you haven't signed up for the fair give Chis a call, more helping hands makes it easier for everyone, this is are only fund raising so lets make it as great as last year.

SCHEDULE

Board Meeting – Thurs, July 14

Fair Setup – Sat, July 30 – Tues, Aug 2

Ozaukee County Fair – Wed, Aug 3 – Sun, Aug 7

Club Meeting – Thurs, September 9
