## MY RAMBLING THOUGHTS<sup>by Dan Burback</sup>

Welcome to April which in turns welcomes in spring as well as our last monthly Club meeting until fall! It has been an interesting season (behind the scenes looking for meeting venues) as well as our lack of snow in our area while still maintaining our trails. From my experience working on submitting our trailwork thru SNARS, we usually have a couple of low snow years back to back and then look out, we get plenty! I've heard from many, "there is always next season" and that usually pays off.

More on what our Board has been doing, we filed our form 990ez with the IRS electronically for the second year in a row and that has helped keep our Club in good standing with the IRS. I do find it interesting that as a non-profit organization holding a 501c(4) status, they want your information on a timely basis even though it is for informational filing only. Very different that doing your income tax filing. Our board is also working on reviewing our by-laws in order to make sure they are updated with the changes we have made over the years. Plus we are reviewing our membership form to update it or make it more simple, if that is possible. And we are exploring the benefit of accepting credit cards for membership as well as at our tent at the Fair. We still need to turn over a few more rocks to see what is under them as we go thru this process. Always interesting!

And our brusher committee has made the decision on which brusher our Club should purchase; read on for the details from that committee and/or stop in at April's Club meeting for an update. Delivery date is approaching!

I guess it is now time to sign off for another month; I'll be back at you in early summer as our annual fund raiser is right around the corner and we need to fill up our volunteer schedule! Until then, remember to prep your sled for it's summer slumber!

## APRIL FOOD

You're making the meal...April Fools

It's Circle B Pizza night, last meeting of the season. We will be having elections and sign up for the Ozaukee County fair, August 2-6, 2023.

Remember, it's your clubs only fundraiser and it takes all of us to make it a success!

Anyone who wants to donate \$100.00 or knows of anyone whose business wants to donate to our band fund, please let Chris Habich know by May 15<sup>th</sup> so we can be sure to have their name on our "Thank You" banner. See you at the meeting!

## **ELECTIONS**

Well, it is that time of our season to elect three (3) members to our Board of Directors. In March, we opened up nominations and received three (3) nominations for the current Board members whose terms are up. Those nominated are Katie Rae Bublitz, Patty Kison, and Jake Bublitz. So to follow protocol, at April's Club Meeting we will re-open nominations for any last minute additions and then we will continue on to vote for no more than three (3) (does this sound familiar?)!

So stop on out to our Club meeting next week and help us vote for three (3) Board Members! We'll see you there!
