MY RAMBLING THOUGHTS^{by Dan Burback}

Welcome to February! All of our trails are in (since late December) and have been checked again on the last weekend in January for any downed trees or other problems; no downed trees at this time, yet our swamps are firm yet soft (translation: first sled thru will be okay, those following will be brown and mud covered!). So additional snow and frigid temperatures are exactly what we need to get us out there snowmobiling on our trails! I know it is only early February, yet we still have time!!

We are still in discussion on meeting locations and as more details are presented, we'll let you know where we will be next fall. Our list has been narrowed down to two (2) locations and unfortunately, neither is on the trail. Add to this, if anyone is familiar with Big Cedar Lake, Mueller's Linden Inn is closed and up for sale which has added a kink in the meeting spot for the Washington County Association of Snowmobile Clubs. We've now moved out to Jug's Hitching Post for the remainder of our season.

Time for me to get back to work, so onto a few others with their articles. So until March, keep your track in the snow and stay on the right side of the trail!

NEW BRUSHER

At our last Club meeting, a motion was made and was passed to purchase a new brusher not to exceed \$9,000 (this includes shipping, sales tax, etc.) and to assign a five (5) member committee to research, discuss and purchase a brusher. The five (5) member committee consists of Randy Kison, Matt Geszvain, Eric Graves, Anthony Reyes and Dennis Guttman. The goal is to have a decision made by our April Club Meeting and have it delivered in September. Stop by our Club meetings for more updates!

THANK YOUs

We'd like to thank Dennis Guttman, Patty Kison and Chris Habich for setting up the Super Nachos we enjoyed at our Club meeting in January. From the taco meat to the toppings as well as our "new" liquid cheese machine, this all went over very well and gave us an insight to liquid cheese for use at our tent at the Ozaukee County Fair. Thanks again to all for their contributions!

BOARD MEMBERS

With our March Club meeting just around the corner, please keep in mind that three (3) of our Board member positions will be up for election or re-election. Nominations will be happening in March with elections in April.

ANNUAL CHILI DUMP

Anyone interested in bringing a batch of chili to our February meeting, please let Chris know before Tuesday, February 7th. So far we only have 2 people bringing chili to the meeting, so if everyone wants to eat, we need 3 or 4 more club volunteers to bring their famous chili. We also have crackers, black olives, sour cream, cheese, fritos and 1 dessert so far. Let's all get involved in bringing something to our club meetings, see you there!
