MY RAMBLING THOUGHTS^{by Dan Burback}

HAPPY NEW YEAR TO ALL!! And we are off to a warm start! Not sure why, yet now the frost should get deeper into the ground and swamps to get us a firmer base to keep the snow on the ground as long as possible. Now we just need to get our order of snow in to Mother Nature as our season is underway!

Along trail happenings, we have our trails in and ready to go for when we get snow! Yet we do need your help by being our eyes and ears with our trails around the county. If you see signs missing or broken, trees down or other trail issues, please let us know (call or text Randy Kison) so we are able to correct this situation quickly. Now if you are able to take care of this situation (sign replacement, chunk up a downed tree, clear downed brush, etc), please turn in your time and date(s) (call or text this to Dan Burback) when you are done so we get this submitted to SNARS in order to get reimbursed. With all of us keeping an eye on our trail system, we are able to keep them in better shape!

Our Board is currently researching meeting places for us for next season as Circle B is up for sale. Dennis Guttman has compiled a list of a minimum of six (6) local spots and we got a few more from the Club meeting for us to consider. We are working to find a location on our trail if at all possible, then keeping it local second. This will be one of our main focuses thru spring as we need to reserve a venue for a nine month period. Our work is never done; we always have a few other agenda items that need attention each month!

That's it for this month as my ink well just ran out of ink, so I'll let a few others take over. So until next time, keep your track in the snow and eyes down the trail! (Oh, do I miss that.....)

SNO-FARIS

We are still looking for a Club member to set up and run a Sno-Fari for this season. I know it is January, yet there are still three (3) months of riding left up north. If anyone is interested, please let us know dates, destination and location of lodging and we'll get the word out to our members. Thank you in advance for your help!

THANK YOUs

Go out to all to the following for bringing food to our Christmas Club meeting where we asked for finger type food for all to enjoy: Katie Bublitz, Bob Vanderloop, John Henning, Melissa Groom, Jeff Bublitz, Drew & Laura Nelson, Carol Bykowski, Cal Cummings, Matt Geszvain, Patty Kison, Dan Burback, Chris Habich and our Club. Thank you to all for helping us put this spread together for all to enjoy before Christmas!

2023 OZAUKEE COUNTY FAIR

It isn't too early to start thinking about our annual fund-raiser, so please mark these dates on your calendar for this summer's Ozaukee County Fair. It opens on Wednesday, August 2 and runs thru Sunday, August 6 with our set-up starting the prior Saturday, July 29 and final clean-up/tear-down on Monday, August 7 of the cookshak. Please keep these dates open as we always need volunteers to help us make our annual fund raiser a success!

JANURAY MEETING FOOD

Super Nacho Night! Our club is getting a nacho machine donated for the fair. We will be trying it out this month at the January meeting. The club will provide meat, cheese, and chips. We are looking for club members to donate sour cream, salsa, hot peppers, chopped onion, sliced black olives, shredded lettuce or whatever else you like on your nachos. We also need dessert. We would like to see everyone take a turn bringing something.

Remember, if you bring something you do not have to put in the food donation jar. The food donation jar helps our club with covering the costs of meat, beer, etc.

Please let Chris Habich know by Tuesday, January 10th if you can bring something. See you at the meeting
