MY RAMBLINGS^{by Dan Burback}

Welcome to our October's B&B Newsletter as we have a full plate of going ons and we are only one (1) month into our season! First off, we are having a Club members "Thank You" Packer Party on Sunday, November 6; please see the enclosed flyer for times, location and RSVP date.

We also started up our 50/50 raffle again this season, plus this is our last season at Circle B as it has been put up for sale. If you have an extra \$2.4m laying around and need to invest it, this might be your gig! So this adds to our Boards to-do list as we need to find a new home for our Club.

Don't forget, October is the start of trail work; keep an eye on this newsletter as well as your email and our website for dates and our plans. It is always interesting to see what we find when we head into the woods as our area has a lot of dead Ash trees; most start to lean and then its all over but the crying! Now is the time to fuel up your chainsaw!

Time to call it a night; keep reading for additional happenings within our Club!

LANDOWNERS AND TRAILS

Our trail section leaders will be reaching out to you over the next couple of weeks to ask for your permission to cross your land again this year with our snowmobile trail. We will discuss any issues with our trails, such as where we cross your land, has anything changed or do we need to route our trail differently than last season. If there are, please let us know so we can route our trails appropriately. Thank you in advance for your permission as without you, our landowners, we would not have the awesome trail system here in Ozaukee and Washington Counties.

MEMBERSHIP

Remember to renew your Club dues early in order for us to renew your AWSC membership early as well; we do take your renewals (as well as new memberships) at each monthly Club meeting. This will allow you to get your discounted trail pass early before it snows!!

Please keep in mind, our goal is to send in your AWSC renewals to the AWSC by the Monday following our monthly Club meetings. Also, we have made the decision to stop getting the yellow AWSC membership cards and in place of this, you will get an email when your membership has been renewed. Thank you in advance for your renewal!!

TRAILS

At September's Club meeting, a trail issue was brought to our attention by John H. and Mike D. in regards to our trail and the roundabout at Hwy 33 & Hwy I. Issue at hand was where would our trail be routed this season due to the construction? The next day, Matt G. reached out to Keith M. (one of our members plus works for the DOT and is working on this project) to discuss our trail and how we could get thru this area safely. After some discussion plus reviewing the area, Keith M. and his group came up with a cost effective solution that will allow snowmobilers to safely ride thru this area while maintaining the integrity that the DOT requires. Thanks again to John and Mike for letting us know of an issue and to Keith and the DOT for working on a solution!!

Just so you know, we'll start off trailwork by installing the stop signs at the major road crossings (need in by October 15th) followed by brushing, trail markers installation and then cultmulching (if needed).

Trailwork Saturdays start at 7:30am at the Kison Farm and we'll usually work until noon:

Saturday, Oct. 15th	Saturday, October 22 nd
Saturday, Oct. 29 th	Saturday, Nov. 5 th
Saturday, Nov. 12th	Saturday, Dec. 3 rd
Saturday, Dec. 10 th	Saturday, Dec. 17 th

OCTOBER FOOD

"The Big Brat" will be at the meeting, along with kraut, beans and dessert. So remember to bring some cash to put in our food donation jar.

WIDE OPEN WISCONSIN By Katie Bublitz

This year the Monticello Sno-mobile Club participated in the Wide Open Wisconsin (WOW) event, at the Washington County fair grounds, Sept. 23rd-25th. We utilized a section of our Monticello club bar to fundraise money with a daily 50/50 raffle! We raised some money for our club and gained some new club members! Surrounded by fellow snowmobilers, we talked about group trips, past experiences, joining a club, fundraising events, and hoping for snow in the upcoming season! WOW consisted of all aspects in the Midwest snowmobiling industry.

WIDE OPEN WISCONSIN cont'd

Lots of sites to see at the event; vendors selling apparel and equipment, club booths fundraising, stunt shows and grass drags, club groomers on display, great food and drinks, swap meet selling, and a vintage sled building. Thanks to all members who helped set up, tear down and work our booth! See you there next year!!
