ONE SEASON ENDS & ANOTHER STARTS by Dan Burback

Welcome to the first newsletter of our 2022-23 snowmobile season! Our past season ended on a very high note with our annual fund raiser netting us our second best profit from the County Fair in our Club's history! With this, we will be reviewing the Fair at our September's Club meeting on Thursday, September 8th at Circle B!

For the Fair, we made it through the initial set-up and cleaning, yet when it came to Wednesday morning of the Fair, our "fair" truck left our Nesco Queen sitting at Piggly Wiggly at 8:00am. The call went out for help, Patty swung in and rescued our Nesco Queen and the cleaning supplies and got her to the Fair while Peewee, Dennis and Hibber stepped up and got the truck loaded from 5 Corners in a couple of trips (the truck got towed there after our Nesco Queen got picked up). Following all this, our volunteers stepped up and got all unpacked, set up and ready to rock for the lunch crowd! This wasn't a small feat, yet a hearty thanks to our volunteers for being ready to tackle whatever gets thrown at them and we got our tent started just in time!

Boy, I could write more regarding the Fair as it is an event stretching over eleven (11) days from start to finish! This doesn't include the preliminary work our Board and Nesco Queen take care of months and days before we even set up anything on the grounds! Yet, from our results, all this has paid off once again. Plus, our results also show that everyone wants to go out and enjoy life as it was meant to be. Damn good show and we are already working on next summer's County Fair! Can't Wait!!!

Okay, now I need to stop and let others write something. Until October, let's get our brushing equipment ready to go and dust off our sledge hammers! And maybe take a peek under the snowmobile cover or trailer topper to see how our sleds look.....

THANKS YOU by Dan Burback

I would like to take a minute to say "Thank You" to all our volunteers from trails to our County Fair fundraiser and everything in between from this past season. Without you, our volunteers and volunteers from the Sno-Drifters and Sno-Seekers as well as family and friends, we would not have such an outstanding Club!! For our Club to solely rely on volunteers, friends and families for 57 years is an awesome feat! Our Club does operate all throughout the year with volunteers covering what we do and we get the job done! Thanks again to all for your help!

Remember, our club's By-Laws require active members volunteer at least six (6) hours or more per season. We understand life isn't predictable and things come up; yet please volunteer where you are able to for our Club. Thanks!

MEMBERSHIP DUES

With our new season upon us, it is time to renew your membership dues for our Club. We are collecting them at September's and October's Club meetings as well as via snail mail. If you so choose to mail it, please send it to Patty Kison's address found at the bottom of our application. Because our snowmobile trail passes expire each summer on June 30th, we need to get your Club renewals in as early as possible to our Club and then we'll get them to the AWSC. The sooner your AWSC membership renewal is processed, the sooner you are able to purchase your discounted trail pass(es). We submit our renewals plus new applications to the AWSC on the Monday following our Club meetings as long as we have a minimum of four (4) applications or more to process. Please don't wait until December to renew; thank you for renewing and joining us!

50/50 RAFFLES

Well it's that time of year to start thinking about snowmobiling and upcoming club events and meetings. At our last 2 club meetings this past spring we started doing 50/50 cash raffles at the meetings and members enjoyed it. With that being said we will again be doing the raffles, so remember to bring your singles along for a chance to take some extra cash home with you. See you at the meeting in September.

THANKS FROM THE NESCO QUEEN

Just want to say Thank You to all that worked the fair. And a Big Thank you to all of you that took vacation and worked many extra hours Without all of you this, our club fund raiser would not have been successful. So Thank you all again, Nesco Queen

WIDE OPEN WISCONSIN

This month Sept 23-25, our club will be represented at Wide Open Wisconsin snowmobile show located at the Washington County fairgrounds. Visit our tent inside and see our Tucker outside! The show is sponsored by Arctic Cat this year and there will be grass drags, swap meet and new and vintage snowmobiles on display!
