MY RAMBLING THOUGHTS^{by Dan Burback}

Hello everyone and welcome to our Fair edition of the B&B. There is much going on so we will try to cover what we are capable of here in this newsletter. I'll be giving an overview on some items while going more in depth with a few others. For starters, our Board has met three (3) times since April and with our major focus being our annual fund raiser at this summer's Ozaukee County Fair as well as reviewing our Club's By-Laws. As many of you know from the past, our annual fund raiser is our food and beverage tent located on the north end of the Fair Grounds just south of the north reserved parking area.

This being our one and only major fund raiser, we need to raise enough capital to keep our Club funded thru the next snowmobile season and beyond. The only way possible to make this profitable is we need many (did I say many?) volunteers to help us with the following: before the Fair we need help setting up the bar and cookshak as well as cleaning the cookshak and bar. During the run of the Fair, we need help stocking, tending bar, cooking, preparing food and cleaning daily. On Sunday, at the end of the Fair, we will definitely need help packing up the cookshak, cleaning everything, tearing down the bar and loading the bar and picnic tables onto our trailer. Then on Monday evening, we will need additional help disassembling the cookshak, pressure washing it, packing up our cooler trailer and loading the cookshak onto its trailer for storage.

This is a huge undertaking and we do need all hands on deck to pull off another successful Fair! Please see and review the included volunteer work schedule and if you are able to help and are not on the schedule, please call or text Chris Habich and let her know where you are able to help us during the Fair! Also, we do realize that everyone's schedule does change and mostly at the last minute; if you have signed up to work yet you will be late or cannot work, please touch base with Chris in order to get coverage for your spot.

Other items for the Fair is repair to the roof of our cookshak above the grills. I do not know the progress, yet the goal was to replace the sheetmetal and seal it up so it would not leak in the event it rains! There maybe more on this later in this newsletter.

Lastly before the ink in my pen runs dry, our Board has made updates to our By-Laws and we will be voting on them at September and October's Club Meetings. These updates have been made over the years and approved yet never made it on "paper". Stop in to hear and read the updates we have proposed. (cont'd on page 2)

MY RAMBLING THOUGHTS CONT'D

So until I write more later in August, don't forget to use sunscreen when in the sun and we'll see you at the Fair in early August!! (Fair starts on Wednesday, August 2nd and runs thru Sunday, August 6th. with pre-Fair set up starting on Saturday, July 29th at the Fair grounds.)

THANK YOU LANDOWNERS

We have include a landowner coupon in this newsletter for you, our landowner! It is just a little something to say "Thank You" for allowing our snowmobile trail across your land this past season. Even though we didn't get to ride our trails, we want to thank you for the permission to cross your land each season. Without you, our landowner, we would not have the awesome trail system as we do here in Ozaukee and part of Washington County. Please stop in at our tent at this summer's Ozaukee County Fair and have some food and beverages on us!!

Remember, this is our club's only fundraiser and it takes all of us to make it a success! There are a few changes this year. Some prices have gone up. New item, "Nachos" and of course, remember to card for beer (Must be born that day in 2002 or before)

Thank you to all volunteers, Sno-Drifters, Sno-Seekers, family and friends of the club. It's "you" that makes this happen

Thanks again,
Nesco Queen
See you at the fair!
