## MY RAMBLING THOUGHTS by Dan Burback

As we are headed towards our final Club meeting in April, we have a few loose ends to tie up before we see each other again at our annual fund raiser at the County Fair!! We have two main items: voting on updating our membership levels which will be defined in our By-Laws given it passes our Club vote. Second, we need to vote on at least three (3) Club members nominated for the Board of Directors. We always have something to discuss or vote on or debate. Never a dull moment at our meetings!!

April's meeting we will also have an update on trails, trail work and what we have submitted to SNARS versus our maximum limit. As many of you know, we were the only area in the state that actually had our trails open this season! That to me is extreme, considering how much snow they normally get in the northwoods of Wisconsin!

And as I'm writing this, it is raining, again, which makes any outdoor activity that much more wet and cold! At least the salt and sand are being washed off the roads until it is to snow later this week. Go figure, this is Wisconsin!

On that note, I need to wrap up my ramblings! So until next newsletter, make sure you store for summer and keep your track off the ground!!

## OZAUKEE COUNTY FAIR

Please keep these dates in mind for our annual fund raiser at the Ozaukee County Fair and add them into your summer activities! The Fair takes place on these dates:

Pre-Set Up	Saturday, July 27 & Sunday, July 28
Set Up	Monday, July 29 & Tuesday, July 30
Fair Runs	Wednesday, July 31 thru Sunday, August 4
Tear-Down	Sunday, August 4
Cookshak Teardown	Monday, August 5

## **CEDAR CREEK CLEAN-UP**

The Town of Cedarburg has planned to set up a date in August to clean up Cedar Creek where it flows thru the Town. This is due to the many dead-falls and other brush that have plugged up the thoroughfare for this navigable waterway! All that debris also makes it hard to snowmobile on Cedar Creek as well as very dangerous! So the Town is looking for volunteers for this project and we will have more information in our newsletter or send out an email when we know additional details.

## **TRAIL UPDATE**

We have not made any more progress since last meeting because of the weather. We have from Western Avenue to Wasaukee Road and Granville Road to Highway I to remove at this time. I will keep in contact on the next available date.

## **WHAT'S COOKING CORNER**

What's cooking at the April Meeting? That is a good question. It might be nachos or pizza. Come to the meeting and find out. This is our last meeting of the season. The fair sign up sheet will be there. We need your help. It takes all of us to make our club's only fundraiser a success. And there is a job for everyone. Cook, Bartender, dish washer, French fryer, stocker, laundry. Lots of behind the scenes before and after. Set up and tear down. So come and sign up to help. See you at the meeting, Nesco Queen!

## **THANK YOUs**

Goes out to Wally Thill and Lori Heidemann! Both were our guest speakers at March's Club meeting and it was awesome having both of them there! Wally kept it short and gave his time to Lori as she discussed the direction of the AWSC, current bills in the legislature and what she would like to see happen within the AWSC to get back to their roots. Can anyone remember when the current president of the AWSC has stopped by to visit us as well as talk to us? I know I can't and it's possible that some of you reading this article may know if and when this happened. (I would bank on this being a first!)

Thank you again Wally and Lori for joining us at our Club Meeting; it was a pleasure for us to meet Lori in person as well as have you address our group of snowmobilers!
