MY RAMBLING THOUGHTS by Dan Burback

Welcome to our Pre-Fair Issue of our B&B Newsletter! You can always figure that when it gets warmer out and our sleds are parked in the corner of the garage, that the Ozaukee County Fair is getting closer! And due to this, our own Nesco Queen has been working to line up our bands along with band sponsors, food and soda purchases. Our Board has been busy working on Fair t-shirts as well as contracts for our tent and space rental. Next on the list is to work with the Ag Society on our beer selections and pricing. We need to go over this in order to get our pricing and our signs to match plus have the right selection of adult beverages! Never a dull moment for us on our Board.

COUNTY FAIR

The last couple of summers, we have been able to set up both the cookshak and our bar the weekend prior to the Fair. This has helped us enormously and cut down on late nights before the Fair opens. Right now, our plan is to get the cookshak and bar set up on Saturday, July 27 & Sunday, July 28. If you are able to help with pre-setup, please call or text Matt Geszvain at 414-640-7012. Matt will get back to you once we have finalized times for both days; only catch with this is we need the tent to be set up first. So this may not be nailed down until the week before the Fair, yet we will let you know as soon as we know. Thanks in advance for your help!

WHATS COOKING CORNER

Well its what and who is cooking at the Ozaukee County Fari, July 31-Aug 4, 2024. Here's your chance to get your 6 hours of volunteer work in if you didn't help with trails and paid \$25 for active membership. And its ok to work at the fair even if you did trails. Our tent at the fair is our club's only fundraiser so we need you to help make it a success again this year. There is a job for everyone! I will be calling you or you can call me for that special time you want to work. Come join the fun! Hope to see you at the fair!

Chris "Nesco Queen" Habich

TRAILS

As we enter spring, our trailmaster and company are working on possible re-routes in two areas to our existing trails. Whenever land goes up for sale, there is always a 50/50 chance of us getting thru that parcel again. As you can figure, our trails are not guaranteed each season; that is why we need to always respect our landowners and not take anything for granted. They are a valuable asset to our Club just like all of you, our members! More on our trails at a later date as summer is just starting.
