MY RAMBLING THOUGHTS...AND THANK YOUs by Dan Burback

Happy New Year!! And get this, a portion of snowmobile trails in Washington County were opened in December! We were off to a great start, yet we digress and are starting over. Needless to say, more cold weather will be here by the time you get our newsletter.

Last month, the Next Gen Riders gave a very good presentation on their club as we had our members along with our director Wally plus the Sheboygan County AWSC director and his wife plus others representing other Clubs in Ozaukee County. They explained to us why they were created as well as their purpose, especially to lend a hand to any snowmobile club in need of help. (County Fair??) It's great to see the youth wanting to step up and keep snowmobiling alive. So if you have young snowmobiling adults from 21 to 35, this group is designed for them!

By the way, I know we haven't listed the snowmobile trail opening/closing phone numbers for a while, so here they are:

WHATS COOKIN' CORNER

Happy 2025, Everyone!

First, I want to extend a big thank you to everyone who donated to our December holiday appetizer night. Everything was absolutely delicious, and it made for a wonderful evening. You truly outdid yourselves—thank you again!

Now, as January rolls in, it's time for our Chili Dump Night at this month's meeting. Our January meeting will double as a chili cook-up, so all you cooks out there, please bring a pot of your famous chili to share. If you're planning to bring chili, let me know ahead of time—that would be a huge help.

We're also looking for volunteers to bake something to accompany the chili. If that's something you'd like to do, just let me know as well. The club will take care of the sides to complement the chili feast.

Cold snow, warm chili, and good company—sounds like the perfect recipe for a great meeting! See you there!

GROOMING

Due to the amount of snow we received in December, we were able to pan our trails to get them to freeze tight and get a good base. This, if the conditions of below freezing and additional snow, would have set us up for awesome trails!! Unfortunately, you all know what happened as the temps hit mid-40s! Regardless, our Tucker and drag performed really well and we are now going thru it to make sure we are ready for the next 8+” snowfall. Here are a few pictures from grooming as well as trail inspection. Enjoy!!

SNO-PHONES

Dodge County 920-386-3705
Fond du Lac County: 920-929-6840
Ozaukee County: 262-284-8259
Sheboygan County: www.nkmsnow.com
Washington County: 262-334-6061

Please call daily (between December 15th and March 15th) and often; once we have at least 6 - 8" of snow and 32 degrees and colder our trails will be evaluated and then the decision to open them will be made!

So until next month, keep your track on the snow and may your trails be white and groomed!
