MY RAMBLING HISTORICAL THOUGHTS by Dan Burback

Welcome to our Pre-Fair newsletter! It has been a little while since our last newsletter as well as a Club Meeting, so I'll do my best to bring you up to speed with happenings within our Club.

First off, the Ozaukee Sno-Drifters have voted to dissolve their snowmobile club; by doing so, our Club has agreed to absorb their seven (7) miles of snowmobile trails. Their trail meets up with our trails north of Hwy 33 and run west to Newburg. Our guys helped them pull these trails last spring. This gave us an understanding of what we will encounter next fall and what has to be done to upgrade signing as well as contact our new landowners.

Also, we have offered free membership for one (1) year in our Club to all the existing members of the Sno-Drifters. This gives their members an opportunity to join another local snowmobile club to see what we are all about plus many work with us at our tent at the County Fair! One note, their Club's founding members were actually once part of our Club back in the early '70s and I've been told by Dick, Mel and Frank that their Club actually spun off of our Club as a "social club" and would hold their Club Meetings at Bob Guse's Marine Bar in downtown Cedarburg (unfortunately, getting there by snowmobile has gotten difficult!). So in turn, those that will be joining us are returning to the Club where their parents and/or other family members were once part of "back in the day". Kinda crazy of life completes the circle at times! So we may have some new faces at our Club Meetings next fall given they are free on the second Thursday of the month!!

A few other happenings for our Club, we are finally working on the advertising board that will be mounted on our drag and will be pulled behind the Tucker throughout the winter. We are still in the early stages of how to create the spaces on it and the cost. Sounds easy, yet it takes time to get the details in place. We are also looking at re-doing our website to upgrade its functionality. This will take sometime to plan out and get dialed in to do what we want to see.

This was just a briefing of what has gone on for us; more as other items take place! So until next time, give Chris a call and get your time/shift reserved for working at our annual fund raiser, our food and beer tent at the Ozaukee County Fair!!

BOARD OF DIRECTORS

In April, we held elections and re-elected Chris Habich and Dan Burback to the Board. With Bob Vanderloop stepping down due to other commitments, we elected Eric Graves to fill Bob's spot. Our Board will hold officer elections at our August Board Meeting. We are grateful to all our Board Members for volunteering their time and efforts to help our Club function effectively as a snowmobile club.

Chris Habich has been a dedicated member of our Club for many years, contributing significantly to various projects and initiatives. Her leadership and Nesco skills have been invaluable in guiding our Club through numerous challenges and successes. Dan Burback, likewise, has demonstrated remarkable dedication and expertise, especially in coordinating trail maintenance and event planning. Their re-election ensures continuity and stability for our Club's future.

Eric Graves, our newly elected Board Member, brings fresh perspectives and enthusiasm to the team. With a passion for snowmobiling and the club, Eric is expected to be a great asset to our Board. We look forward to his contributions and innovative ideas in the coming months.

The August Board Meeting will be a crucial gathering where officer elections will take place. This is an opportunity for us to reflect on our accomplishments and strategize for the upcoming season. We encourage all members to attend and participate in these discussions, as your input is vital to our Club's success.

Thank you to all our Board Members for their unwavering support and dedication. It is through your collective efforts that our Club continues to thrive and provide enjoyable snowmobiling experiences for all members.

WHATS COOKING CORNER

Burgers, brats, hot dogs, and our beloved Rib-I steak sandwich are on the menu at the Ozaukee County Fair from July 30th to August 3rd, 2025. This event is not just about the food; it's about community, fun, and coming together for a common cause. And here's the big question: Who will be manning the grills? It could be you! We need all club members to help make our annual fundraiser a roaring success. There's a job for everyone, whether it's bartending, working in the kitchen, stocking supplies, washing dishes, or even cleaning the towels at the end of the day. Every task, no matter how big or small, plays a crucial role in ensuring the smooth operation of our fundraiser.

Your participation is crucial because our club thrives on the spirit of volunteerism. Every hour you dedicate contributes to our collective success and ensures that we continue to offer top-notch experience for our community. Volunteering is also a great way to meet fellow members, make new friends, and strengthen the bonds within our community.

I will be reaching out to each of you soon to enlist your support. I also want to extend a heartfelt thank you to those who have gone above and beyond in previous years. Your dedication is truly appreciated, and it's because of volunteers like you that our club continues to flourish.

This year, we aim to surpass the success of our previous fundraisers and set new records. With your help and enthusiasm, we are confident that we can achieve this goal. Let's come together and make this year's fair an event to remember.

Thank you once again, and I hope to see you all at the fair! Let's make it a fantastic event for everyone!

Sincerely, Nesco Queen
