My Ramblings by Dan Burback

As we roll into November and our season is still young, we need to keep in mind that volunteers are needed to help brush our trails and install trail markers before the ground freezes. Plus, we have accepted seven (7) additional miles of trail from the Ozaukee Sno-Drifters and we will need additional help to get them installed; if you are willing to help with this section, please call Anthony Reyes at 262-305-3584.

We can only do this if we get more volunteers to show up on a Saturday morning. I know this is harsh and yes, I do realize that we all have numerous fall tasks pulling at us, yet all we are asking for is roughly 4-1/2 hours on a Saturday morning. And we only have a total of three (3) Saturday's in November to work on trails. Once deer hunting season opens on Saturday, November 22nd, we need to stay out of the woods until the first weekend in December, Saturday, December 6th. Depending on how far we are with trails, we now face colder weather as well as frost. So at this juncture, please mark on your calendars with the remaining trail work dates so we are able to get a majority installed. If you absolutely cannot help on Saturday mornings, please reach out to Randy Kison to see if other times and/or dates are available. Please keep in mind, volunteers are the backbone of our Club along with landowners, and we need your help! Thank you in advance for your help.

On the first Sunday in November, we hosted our annual Thank You/Packer Party at Edgewater Golf Course. It was sad that the Packers in those ugly uniforms did not pull a out a win, yet we did not give the game away. As for us at Edgewater watching the game, we all had an enjoyable time. Unfortunately, I did not do a head count, yet our fellow Nesco Queen usually does, so read below for additional details.

One last note before I put my pen back into the ink well and let others carry on, we need your extra Halloween candy to hand out at the Grafton Christmas Parade. If you have some, please bring it to our November Club Meeting. So until December, please help us with trail work as well as have a safe and Happy Thanksgiving!

Trail Updates

As of now, we have approximately 75% of all brushing and tree removal completed. We will continue this week as weather permits and also start cultipacking on fields that are tilled. We will be needing volunteers to install trail markers on Saturday November 8th and November 15th.

Meet at the Kison Farm, 929 Elm Rd Cedarburg at 7:30am.

Any questions please call Randy Kison

Did you know the Monticello Sno-Mobile Club has had a Facebook page since 2011? If not, now's the perfect time to check it out! We're revving up our Facebook presence this year to stay better connected with members and welcome new ones to the club.

Even more exciting—there's now a Monticello Sno-Mobile Club Facebook Group! Join the Group to connect with fellow riders, share your snowmobiling adventures, and see what other members have been up to. If you already follow our Page, keep an eye out for your invitation to join. We can't wait to see your posts, photos, and stories out on the trails!

Whats Cookin Corner

Hello Everyone, well Fall is here. Some of you may have put your grill away for the season but not Drew. He will be grilling us Brats this month, "The Big Brat" left from the fair. We will also have sides, Beans, Chips, etc. We could use some homemade desserts. Please let me know if ahead if you can bake.

This is the last of our fair food Til next year, Thank you Drew for grilling!

December is our appetizer Happy Holidays night. I will have a sign up sheet at this month's meeting. So you can sign up to bring your favorite appetizer or dessert. Bars, Christmas Cookies are always welcome! So see you all at the November meeting.

Thanks! Nesco Queen

PS. Don't forget to bring candy for Christmas parade. Those of you who do will get 2 extra tickets for 50/50 raffle at November meeting.

Grafton Christmas Parade

With the holiday season approaching and snow (hopefully) on the way, the Monticello Sno-Mobile Club is gearing up for another festive Grafton Christmas Parade appearance. Club members and vintage sled enthusiasts will cruise the route with a truck and trailer loaded with classic and new snowmobiles, thanks to support from 5 Corners Dodge and CedarCreek Motor Sports.

Members are encouraged to donate leftover Halloween or other candies for the parade, as club walkers will hand out treats to children along the route. If you own a vintage sled—especially a Rupp—and would like it featured on the float trailer, please call 262-665-8704 to participate. Volunteers are also needed to pick up the new truck from 5 Corners Dodge and transport the trailer and sleds from CedarCreek Motor Sports on Saturday morning. Arrive at the staging area behind St. Paul's by 9:30–10:00 AM to help install the flying snow panels and get ready for the 11:00 AM parade kickoff. Please return the truck and sleds after the event.

The parade is always a highlight for local families, with kids especially enjoying the "snowstorm" and candy from the club. For staging details or to get involved, contact Bob "Looper" Vanderloop. Let's make this year's parade a memorable one!

Packer Party Review

Well our Green Bay Packers let us down as they lost in the end to the Carolina Panthers. We had 50 volunteer fans cheering them on, but they still couldn't do it. Besides the game – I think everyone had a good time. Specially the ones who won packer pools (Thank you Patty for doing the pools), and our 50/50 winner, Deb Klotz took home some nice cash. The food and drinks were good too! Thank you, Edgewater Golf Club.

So make sur you volunteer this season so you can come and party and cheer on our Packers next year. Thank you everyone for everything you do for your club!

Thanks! Nesco Queen
