My Random Thoughts by Dan Burback

Hello and welcome to April!! It is only two (2) days away as I am writing this article and the weather supports the calendar. And as time goes by, here is some historical notes regarding our Club. Our Club held its first meeting in August, 1966 and was incorporated in January, 1967. This gives way to us holding a 60th Anniversary party this fall. (Katie has more on this below.) One thing I am not sure on is if we have been at the Fair since 1966 or August 1967; may have to review our history files to see what was recorded. Unfortunately, there aren't too many of our members around from the early days anymore; I know I wasn't even a twinkle in my parents eyes at that time. More on our history as time moves on.

And since it is April, we will be removing our trail markers over the next couple of weeks. Please check out the email we have sent regarding our trails. Some areas may be too wet now, yet we will get them pulled this spring.

Otherwise, April will be our last Club meeting of our year; please watch for County Fair info as we will be looking for volunteers to help us at our Annual Fund Raiser at the end of July/beginning of August.

So until next newsletter, get your sled snuggled into its off-season sleep and trickle charge the battery (given there is one).

Nominations & Elections

April is our time to elect our directors to our board. We have three (3) director positions open each spring and Patty Kison, Katie Bublitz and Jake Bublitz are those three (3). With that said, we opened up nomination in March and all three (3) were re-nominated. So in April, we will re-open the nominations for any additional nominees and then we will vote on no more than three (3) to fill these three positions. See you in April! Or be elected!!

60th Anniversary Party

Save the date, Monticello Sno-mobile Club 60th Anniversary Party on October 24, 2026 at The Hub in Cedarburg. More details to come.

Trails

As another season winds down,
we were able to use our new roller since we had a lot of
snow before the trails opened.

The roller worked perfectly!

Unfortunately, we never got to groom the trails as
conditions got worse with warm weather and lack of snow.

With the season coming to an end, the time has come to
pull the trails. Ken Seidl and John Henning have done an
awesome job on accomplishing this so far. I will plan to
remove what I can before Easter. After that, I can keep
everyone informed as to what is left to do. We also have a
lot of trees down, which we would like to remove before
they get grown in over the summer. We appreciate any
help we can get as time permits. Any concerns or questions
please call Randy Kison

Whats Cookin' Corner

Pizza Pizza Pizza, that's what we are having at this
month's meeting. April 9th, it's our last meeting of the
season. There will be voting, bartender license renewals
and of course a Ozaukee County Fair sign up sheet. This
year the fair is July 29-August 2. Plan to sign up early so
you don't have to worry about and can enjoy your summer.
Hope to see you all at the meeting. -Nesco Queen
