My Random Thoughts by Dan Burback

Can't believe that we're putting together a newsletter for the Fair along with our volunteer schedule for our annual fundraiser! Our Nesco Queen has put a lot of time working on the schedule as well as getting all the food and beverages together. Now we need to step up and provide the volunteers to fill out and follow our schedule! Please see Chris's article below as well as the included volunteer schedule with this newsletter. We will have steamed corn at our tent this summer provided we have enough to work that portion of our tent. Volunteers are always needed to help carry us through our annual fundraiser! Please review the included schedule; we do need more help than those listed on the schedule. If you are able to provide additional help, please let us know by calling or texting Chris.

One unfortunate note, our Tucker will not be at Fair this summer. It developed an oil leak that is related to the turbo and if I'm understanding it correctly, this is major and will keep the Tucker parked. Updates on this as summer winds down and fall approaches.

Next, we have an update on our new meeting location plus our Nesco Queen has an update on the Fair. So until after the Fair, stay cool and enjoy the summer and our Ozaukee County Fair!

Meeting Location Change

As you all have seen or heard, Circle B was sold and what is to happen next is being worked out as per the marquee out front. We do need to thank Mark Klotz for hosting our meetings at Circle B for the last 20+ years and the great service he has offered to us! Thanks Mark for the use of your meeting hall and service; we appreciate it! And For those keeping track, this has been our meeting spot since Russ sold the Black Wheel back in the early 2000s.

Moving forward, our Board has researched approximately eight (8) local spots to see what would be the best fit for our Club. Two key factors that helped us decide is one, are they on the trail? And two, are we able to keep meeting on the second Thursday of the month? Only one (1) establishment answered both questions exactly (plus, they are a major Club sponsor) and our Board unanimously decided on the Kirchhayn Country Club! Thank you Peewee and Heather for offering to close your bar on the 2nd Thursday of each month September thru April in order to host our Board and Club Meetings! We appreciate your hospitality!

Update on Patty Kison

I know many of you are aware that Patty Kison, our treasurer, suffered a stroke in mid-May and due to the quick response from her mom and Randy, she received immediate help. Plus, medication was administered to help break up the clot and keep Patty from surgery as well as out of harms way. Through therapy, Patty has recovered really well and continues to do speech therapy. And at this time, Patty will continue to be our Club's treasurer! Thanks Patty and we pray your therapy continues to aid towards your full recovery!

It's Our Big Cook Out

At the Ozaukee County Fair – July 29 – August 2, 2026. This is our club's only fundraiser, so we need your help to make it another successful year. There are still a lot of bare spots in the schedule. If you can help out, please let Chris know. If you have a teenager 13 or older, they can call numbers, dishes, be runners, clean tables. They can not be behind the bar until 18 or cook. But like I always say, there is a job for everyone.

Please become 15 minutes before your shift to look over menu pads, etc. as things have changed. If you have questions, ask the licensed bartender on duty. Also, remember to be responsible when working. We want you to have fun working, just not too much. Please have a beverage and sandwich on us during a slow time of your shift or after. Bring your family up when you're not working to help support your club.

I want to Thank everyone ahead of time for all you do for the club. And a special thank you to all that do way more and have for years. A huge thank you to Mike Mueller for handling our printing needs.

If you are interested in purchasing food leftovers, please be at teardown on Sunday night with your cooler and cash or check.

So let's think good weather and a good Ozaukee fair. See you at the fair.

Thanks again,
Nesco Queen
