WE'VE MOVED!!

NEW CLUB MEETING LOCATION!!

KIRCHHAYN COUNTRY CLUB

Location: Downtown Kirchhayn

Mailing address (for GPS users): 1187 Western Ave, Cedarburg, WI 53012

Starting in September, we will hold our Club Meetings this season at the Kirchhayn Country Club. And it was mentioned to me at the Fair that our meet here 60 years ago (when it was Butzke's Tap) and here we are on our 60th anniversary meeting at that same location. Go figure!! See you there!

My Random Thoughts by Dan Burback

With the Fair ending a few weeks ago and with summer flying by, fall is right around the corner. First off, we need to review our finances from our annual fund raiser at the Ozaukee County Fair. Yes, we did run out of burgers on Wednesday and Sunday, yet with the awesome weather on the last day of the Fair, we had another successful fund raiser!! Thank you to all of you, our volunteers for help making this Fair successful again! We will discuss the numbers at September's Club Meeting.

With the Fair behind us, some of us are reviewing and shaping up our "booth" at Wide Open Wisconsin coming up on September 25 - 27, 2026! We will need volunteers to help us with this event. Jake Bublitz has more on WOW later on, so keep reading!! Following WOW, our Club's 60th Anniversary Party will take place on October 17 at Shakers Lounge in Saukville located at 200 S. Railroad Street, Saukville (Formerly known at The Railroad Station). Will do require RSVP, so watch your mail for the invitation with more details.

Plus, our trail section leaders will be contacting our landowners for their permission for our trails to cross their land for another season. And then this will lead to trailwork in October. Pretty soon deer hunting and then SNOW!!

Go figure, the above captured August thru October which means I'm otta room and need to hand over the writing utensil to another Club member (read on as there is definitely more!!) So until October, try to remember where you put your keys when you parked your sled last March!!

Officer Elections

At our August Board Meeting, we held our officer elections as the offices for treasurer and vice president as both expired on August 31st, 2026. The election tally showed we re-elected both Dennis Guttman as our Club Vice President and Patty Kison as our Club Treasurer!! Congratulations to both on another term! Thank you for your time!

Membership & AWSC

Your Club membership as well as your AWSC membership has expired and its time to renew! You'll find an application in this newsletter (both electronic and snail mail) and we need it turned into us by December 1, 2025. Dues are \$30 per family for active membership and \$45 per family for non-active membership. We do have the two (2) options, yet we would prefer more active as we need your help as a volunteer from trails to the County Fair. Renewals turned in after our deadline will be subjected to a \$5 late fee. And as in the past, we will process the applications we receive by the Monday following our monthly Club meeting; this will give us a good number to process (more than four) to make renewing with the AWSC cost effective. We thank you in advance for renewing your membership with our Club!! And remember to tell a friend as we accept new applications all year long!

Landowners

Landowners, please note we will be contacting you for your permission to cross your land again this season. If there were any issues from last season the we need to address, please let us what they are and we will take care of them. Next to our members, you are one of our biggest assests a Club like ours could ever have. Without you, we would not have the awesome snowmobile trail system we have in Ozaukee and Washington County. Thank you in advance for your help and permission to use your land!!

Trail Time

First off thank you to everyone that helped at county fair to make it successful again, get all the details at the first club meeting. Second its that time to start making contact with your land owners for our trail system. The earlier we get this done the earlier we can get in while it is nice out and hopefully dry to brush and mow. When picking up stakes in spring there were a lot of trees that were down already and with the strong thunderstorms we have had this year I'm sure there are a lot more down so get the chain saw chains sharpened. The club saws are ready to go and Randy was going to get the brush mower checked over, the equipment is at the Kison farm if you need it, this is for all club members to use getting the trails ready. If there is a problem with any of the equipment please let someone know so we get it fixed and back in service for others to use. If there are any landowner issues please relay info to someone so that we stay on top of it. Thanks for all your help.

Wide Open Wisconsin

Full Throttle Fest is back! At the Washington County Fair Park grounds, September 25th-27th. Stop in and see our club members who will be selling 50/50 raffle tickets and small food items. It's a great time to renew your membership! Let your friends know, new members recieve a free tshirt! The show is PACKED with fun, including giveaways, pit bike races, Mini Rod pulls, stunt shows, grass drags, a vintage sled show, live music, safety courses, and swaps! As always, we are looking for volunteers. If you're interested in helping out in between spectating, contact Jake Bublitz. We can't wait to see you there!

Whats Cookin' Corner

Another Ozaukee County Fair has come and gone, and it was another successful year for our club's fundraiser. Although rain on Friday and part of Saturday kept us from setting a record, Wednesday was a record-setting day and night. We cooked 600 burgers, 240 ribeyes, and 200 brats—and stayed nonstop busy for 4.5 hours. Thank you to Patty, Angie, and Diane for working double shifts that day, and for more than 20 years of incredible volunteer service. I couldn't do it without you.

Thank you to every volunteer—cooks, bartenders, setup and tear-down crews, French fry and corn teams, dishwashers, and everyone who helped in any role. We needed each of you to make this happen. As I always say, there is a job for everyone. We also sold more than 400 kids' meals—that's a lot of hot dogs—as well as our Polish sausage, an old landowner favorite. At our September 10 meeting, the first club meeting of the season at KCC, we'll serve Polish sausage, kraut, and beans. Come find out which beer was our top seller this year and how the fundraiser turned out. Hope to see you there, and thank you again for everything you do for your club.

Thanks again,
Nesco Queen
